In When Men Become

Gods, New York Times bestselling author Stephen Singular casts a light on a dark corner of religious extremism. He reveals a group of fundamentalists operating in the present-day United States, where teenage girls are kept in virtual bondage in the name of upholding the "sacred principle" of polygamy. As the leader and self-proclaimed prophet of the Fundamentalist Latter Day Saints, a sect of Mormonism based in isolated southern Utah, Warren Jeffs held sway over thousands of followers for nearly a decade. His rule was utterly tyrannical. In addition to coercing young girls into polygamous marriages with older men, Jeffs reputedly took scores of wives, many of whom were his father's widows. Television, radio, and newspapers were shunned, creating a hidden

community where polygamy was prized above all else. But in 2007, after a two-year manhunt that landed him on the FBI's Ten Most Wanted List, Jeffs's reign was forcefully ended. He was convicted of rape as an accomplice for his role in arranging a marriage between a fourteen-year-old girl and her nineteen-year-old first cousin. In *When Men Become Gods*, Edgar Award nominee Stephen Singular traces Jeffs's rise to power and the concerted effort that led to his downfall. It was a movement championed by law enforcement, private investigators, the Feds, and perhaps most vocal of all, a group of former polygamous wives seeking to liberate young women from the arranged marriages they'd once endured. The book offers new revelations into a nearly impenetrable enclave---a place of nineteenth-century attire, inbreeding, and eerie seclusion---providing readers with a rare glimpse into a tradition that's almost a century old, but that has only now been exposed.

The Witness Wore Red Anchor
Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece.

' *Seven Pillars of Wisdom* ' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was

molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

Portofino TEACH Services, Inc.

Irene Spencer did as she felt God commanded in marrying her brother-in-law Verlan LeBaron, becoming

his second wife. When the government raided the fundamentalist, polygamous Mormon village of Short Creek, Arizona, Irene and her family fled to Verlan's brothers' Mexican ranch. They lived in squalor and desolate conditions in the Mexican desert with Verlan's six brothers, one sister, and numerous wives and children. Readers will be appalled and astonished, but most amazingly, greatly inspired. Irene's dramatic story reveals how far religion can be stretched and abused and how one woman and her children found their way out, into truth and redemption.

Inside the Christian Patriarchy Movement Anchor Books

On June 27, 1844, a mob stormed the jail in the dusty frontier town of Carthage, Illinois. Clamorous and angry, they were hunting down a man

they saw as a grave threat to their otherwise quiet lives: the founding prophet of Mormonism, Joseph Smith. They wanted blood. At thirty-nine years old, Smith had already lived an outsized life. In addition to starting the Church of Latter-day Saints and creating his own “ Golden Bible ” – the Book of Mormon – he had worked as a water-dowser and treasure hunter. He ’ d led his people to Ohio, then Missouri, then Illinois, where he founded a city larger than fledgling Chicago. He was running for President. And, secretly, he had married more than thirty women. In American Crucifixion, Alex Beam tells how Smith went from charismatic leader to public enemy: how his most seismic revelation – the doctrine of polygamy – created a rift among his people; how that schism turned to violence; and how, ultimately, Smith could not escape the consequences of his ambition and pride. Mormonism is America ’ s largest and most enduring native religion, and the “ martyrdom ” of Joseph Smith is one of its transformational events. Smith ’ s brutal assassination propelled the Mormons to colonize the American West and claim their place in the mainstream of American history. American Crucifixion is a gripping story of scandal and violence, with deep roots in our national identity. A Memoir of Polygamy, Prophets, and Blood Atonement Our Sunday Visitor Prophet's Prey My Seven-Year Investigation into Warren Jeffs and the Fundamentalist Church of Latter-Day Saints Bloomsbury Publishing USA The 19th Wife Who Brought Polygamous Cult Leaders to Justice Pince Nez Press Life for Irene Spencer was a series of devastating disappointments and hardships. Irene's first book, Shattered Dreams, is the staggering chronicle of her struggle to provide for her children in abject poverty and feelings of abandonment each time her husband left to be with one of his other wives.

Irene was raised to believe polygamy was the way of life necessary for her ticket to heaven. The hard knocks of her environment were just the beginning of Irene's shocking tale. Insanity ran rampant in her husband's family and was the source of inconceivable events that unfolded throughout Irene's adult life. Cult Insanity takes readers deeper into her story to uncover the outrageous behavior of her brother-in-law Ervil -- a self-proclaimed prophet who determined he was called to set the house of God in order -- and how he terrorized their colony. Claiming to be God's avenger and to have a license to kill in the name of God, Ervil ordered the murders of friends and family members, eliminating all those who challenged his authority. For those who were gripped by Shattered Dreams, the rest of the story will blow them away.

Cult Insanity is a riveting, terrifying memoir of polygamist life under the tyranny of a madman.

American Polygamy: A History of Fundamentalist Mormon Faith Crown

A compendium of prophecies attributed to Jesus Christ by Warren S. Jeffs during 2010-2013, principally at Palestine, Texas.

Shattered Dreams Da Capo Press

- From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these

communities. At the core of Krakauer ' s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America ' s fastest growing religion, and raises provocative questions about the nature of religious belief. Quiverfull GENERAL PRESS To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope

Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

#1 NATIONAL BESTSELLER

- "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism."

—PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left

countless more--including Krakauer's--in guilt-ridden disarray, would also provide the impetus for *Into Thin Air*, Krakauer's epic account of the May 1996 disaster. By writing *Into Thin Air*, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he

acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of *Into Thin Air* includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since *Into Thin Air*'s denouncement of

guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored *The Climb*, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters--a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was

once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."

Lost Boy W. W. Norton & Company

Sex abuse happens in all communities, but American minority religions often face disproportionate allegations of sexual abuse. Why, in a country that consistently fails to acknowledge—much less address—the sexual abuse of women and children, do American religious outsiders so often face allegations of sexual misconduct? Why does the American public presume to know “ what ’ s really going on ” in minority religious communities? Why are sex abuse allegations such an effective way to discredit people on America ’ s

religious margins? What makes Americans so willing, so eager to identify religion as the cause of sex abuse? Abusing Religion argues that sex abuse in minority religious communities is an American problem, not (merely) a religious one.

Teachings of the Prophet Joseph Smith Anchor

The dramatic first-person account of life inside an ultra-fundamentalist American religious sect, and one woman ’ s courageous flight to freedom with her eight children. When she was eighteen years old, Carolyn Jessop was coerced into an arranged marriage with a total stranger: a man thirty-two years her senior. Merrill Jessop already had three wives. But arranged plural marriages were an integral part of Carolyn ’ s heritage: She was born into and raised in the Fundamentalist Church of Jesus Christ of Latter-Day Saints (FLDS), the radical offshoot of the Mormon Church that had settled in small communities along the Arizona-Utah border. Over the next

fifteen years, Carolyn had eight children and withstood her husband's psychological abuse and the watchful eyes of his other wives who were locked in a constant battle for supremacy. Carolyn's every move was dictated by her husband's whims. He decided where she lived and how her children would be treated. He controlled the money she earned as a school teacher. He chose when they had sex; Carolyn could only refuse at her own peril. For in the FLDS, a wife's compliance with her husband determined how much status both she and her children held in the family. Carolyn was miserable for years and wanted out, but she knew that if she tried to leave and got caught, her children would be taken away from her. No woman in the country had ever escaped from the FLDS and managed to get her children out, too. But in 2003, Carolyn chose freedom over fear and fled her home with her eight children. She had \$20 to her name. *Escape* exposes a world tantamount to a prison camp, created by religious

fanatics who, in the name of God, deprive their followers the right to make choices, force women to be totally subservient to men, and brainwash children in church-run schools. Against this background, Carolyn Jessop's flight takes on an extraordinary, inspiring power. Not only did she manage a daring escape from a brutal environment, she became the first woman ever granted full custody of her children in a contested suit involving the FLDS. And in 2006, her reports to the Utah attorney general on church abuses formed a crucial part of the case that led to the arrest of their notorious leader, Warren Jeffs.

The Murder of Joseph Smith and the Fate of the Mormon Church Bloomsbury Publishing USA Story about leaving behind the innocence of childhood belief and embracing the complications and heartbreaks that come to every adult life of faith. Explores the author's journey through her faith, and the experience of being a Mormon.

FLDS Mormons: Evil Culture, Lawless Cult: Fact Or Fiction? Chicago Review Press

The Mormon private investigator who played a pivotal role in the arrest of polygamous Fundamentalist

Church of Latter Day Saints leader Warren Jeffs exposes the rogue sect's lesser-known illicit campaigns to finance Jeffs's criminal activities, in an account that shares segments from Jeffs's priesthood journal. 60,000 first printing.

Seven Prayers That Will Change Your Life Forever Beacon Press

From the private investigator who cracked open the case that led to the conviction of Warren Jeffs, the maniacal prophet of the polygamous Fundamentalist Church of Latter Day Saints (FLDS), comes the page-turning, horrifying story of how a rogue sect used sex, money, and power disguised under a façade of religion to further criminal activities and a madman's vision. In Prophet's Prey, Brower implicates Jeffs in his own words, bringing to light the

contents of Jeffs's personal
priesthood journal,
discovered in a hidden
underground vault, and
revealing to readers the
shocking inside world of
FLDS members whose trust
he earned and who showed
him the staggering truth of
their lives.
