The Five Books of Quintus Sept. Flor. Tertullianus Against Marcion Anchor

From the private investigator who cracked open the case that led to the conviction of Warren Jeffs, the maniacal prophet of the polygamous Fundamentalist Church of Latter Day Saints (FLDS), comes the page-turning, horrifying story of how a rogue sect used sex, money, and power disguised under a façade of religion to further criminal activities and a madman's vision. In *Prophet's Prey*, Brower implicates Jeffs in his own words, bringing to light the contents of Jeffs's personal priesthood journal, discovered in a hidden underground vault, and revealing to readers the shocking inside world of FLDS members whose trust he earned and who showed him the staggering truth of their lives.

Full of Beans Crown

*Seven Pillars of Wisdom* is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which, along with many other eminent writers, Lawrence was also involved. *Seven Pillars of Wisdom* provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

*Children of Polygamy* Rutgers University Press

The dramatic first-person account of life inside an ultra-fundamentalist American religious sect, and one woman's courageous flight to freedom with her eight children. When she was eighteen years old, Carolyn Jessop was coerced into an arranged marriage with a total stranger: a man thirty-two years her senior. Merrill Jessop already had three wives. But arranged plural marriages were an integral part of Carolyn's heritage: She was born into and raised in the Fundamentalist Church of Jesus Christ of Latter-Day Saints (FLDS), the radical offshoot of the Mormon Church that had settled in small communities along the Arizona-Utah border. Over the next fifteen years, Carolyn had eight children and withstood her husband's psychological abuse and the watchful eyes of his other wives who were locked in a constant battle for supremacy. Carolyn's every move was dictated by her husband's whims. He decided where she lived and how her children would be treated. He controlled the money she earned as a school teacher. He chose when they had sex; Carolyn could only refuse at her own peril. For in the FLDS, a wife's compliance with her husband determined how much status both she and her children held in the family. Carolyn was miserable for years and wanted out, but she knew that if she tried to leave and got caught, her children would be taken away from her. No woman in the country had ever escaped from the FLDS and managed to get her children out, too. But in 2003, Carolyn chose freedom over fear and fled her home with her eight children. She had \$20 to her name. *Escape* exposes a world tantamount to a prison camp, created by religious fanatics who, in the name of God, deprive their followers the right to make choices, force women to be totally subservient to men, and brainwash children in church-run schools. Against this background, Carolyn Jessop's flight takes on an extraordinary, inspiring power. Not only did she manage a daring escape from a brutal environment, she became the first woman ever granted full custody of her children in a contested suit involving the FLDS. And in 2006, her reports to the Utah attorney general on church abuses formed a crucial part of the case that led to the arrest of their notorious leader, Warren Jeffs.

*The Witness Wore Red* Simon and Schuster

In this searing memoir of survival in the spirit of *Stolen Innocence*, the daughter of Warren Jeffs, the self-proclaimed Prophet of the FLDS Church, takes you deep inside the secretive polygamist Mormon fundamentalist cult run by her family and how she escaped it. Born into the Fundamentalist Church of Jesus Christ of Latter-Day Saints, Rachel Jeffs was raised in a strict patriarchal culture defined by subordinate sister wives and men they must obey. No one in this radical splinter sect of the Mormon Church was more powerful or terrifying than its leader Warren Jeffs—Rachel's father. Living outside mainstream Mormonism and federal law, Jeffs arranged marriages between under-age girls and middle-aged and elderly members of his congregation. In 2006, he gained international notoriety when the FBI placed him on its Ten Most Wanted List. Though he is serving a life sentence for child sexual assault, Jeffs' iron grip on the church remains firm, and his edicts to his followers increasingly restrictive and bizarre. In *Breaking Free*, Rachel blows the lid off this taciturn community made famous by Jon Krakauer's bestselling *Under the Banner of Heaven* to offer a harrowing look at her life with Warren Jeffs, and the years of physical and emotional abuse she suffered. Sexually assaulted, compelled into an arranged polygamous marriage, locked away in "houses of hiding" as punishment for perceived transgressions, and physically separated from her children, Rachel, Jeffs' first plural daughter by his second of more than fifty wives, eventually found the

courage to leave the church in 2015. But *Breaking Free* is not only her story—Rachel's experiences illuminate those of her family and the countless others who remain trapped in the strange world she left behind. A shocking and mesmerizing memoir of faith, abuse, courage, and freedom, *Breaking Free* is an expose of religious extremism and a beacon of hope for anyone trying to overcome personal obstacles.

[How I Escaped Polygamy, the FLDS Cult, and My Father, Warren Jeffs](#) Agreka Books

From the Preface: "My name is Flora Jessop. I've been called apostate, vigilante, and crazy bitch, and maybe I am. But some people call me a hero, and I'd like to think they're right too. If I am a hero, maybe it's because every time I can play a part in saving a child or a woman from a life of servitude and degradation, I'm saving a little piece of me, too. I was one of twenty-eight children born to my dad and his three wives. Indoctrinated to believe that the outside world was evil, and that I resided among the righteous, I was destined to marry a man chosen for me by the Prophet. I would then live in harmony with my sister-wives, bear many children, and obey and serve my future husband in this life and throughout eternity. But my innocence didn't last long. While still a child, I understood that the church of the righteous was nothing but a church of lies. When I was eight years old my father sexually molested me for the first time, raping me when I was twelve. I tried to kill myself. Beaten, molested, taunted, and abused by family members alleging they only wanted to save my soul became a daily routine, I ran from this abuse more than once in my early teens--even attempting to cross the desert on foot. My family hunted me down. I thought government agencies would provide me safety if I reported my father. Instead, police and social services colluded with the FLDS to return me to my family and I ended up back inside polygamy, right where I started." Flora goes on from there to tell the dramatic true story of how she ultimately escaped and has been fighting against frustrating obstacles with hard fought successes in rescuing women and children from the FLDS. It's a story you can't put down.

[The True Story of One Man's Exile from a Polygamist Cult and His Brave Journey to Reclaim His Life](#) Lister, B.C. : Dave's Press

Calvin is the son of a missionary family, and their trip to Portofino is the highlight of his year. But even in the seductive Italian summer, the Beckers can't really relax. Calvin's father could slip into a Bad Mood and start hurling potted plants at any time. His mother has an embarrassing habit of trying to convert "pagans" on the beach. And his sister Janet has a ski sweater and a miniature Bible in her luggage, just in case the Russians invade and send them to Siberia. His dad says everything is part of God's plan. But this summer, Calvin has some plans of his own ... Portofino is the prequel to the noted trilogy that includes *Zermatt*. A huge bestseller, *Portofino* has been translated into seven languages.

*Breaking Free* Hachette UK

Seven prayers that offer the life-changing power to move life from ordinary to amazing. Stormie Omartian is well known for her powerful books on prayer. Prayer topics include: Confession, Salvation, Release, Submission, Praise, Promise, and Blessing. The brand new design appeals to a new and younger audience, spreading the power of prayer beyond borders never reached before.

The Polygamists Pince Nez Press

The Mormon private investigator who played a pivotal role in the arrest of polygamous Fundamentalist Church of Latter Day Saints leader Warren Jeffs exposes the rogue sect's lesser-known illicit campaigns to finance Jeffs's criminal activities, in an account that shares segments from Jeffs's priesthood journal. 60,000 first printing. My Story of Growing Up in a Polygamous Sect, Becoming a Teenage Bride, and Breaking Free of Warren Jeffs Islam International Publications Ltd

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet's compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group's pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become "lost boys" when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

[Wife No. 19, Or, The Story of a Life in Bondage](#) John Wiley & Sons

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon

establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

As Illustrated in the Captivity and Restoration of Israel Da Capo Press

A shocking indictment of polygamy, this book reveals gruesome facts about Bible-based polygamy through the experiences of 18 brave women who escaped from ten of the 11 main polygamous groups. (Christian)

The Story of Prophets and Kings TEACH Services, Inc.

The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In The Story of Daniel the Prophet, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative. This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher. We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the marginal references open up many veins of precious ore in the deep mines of God's Word. Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals. As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.

My Life as a Polygamist's Wife Anchor

On June 27, 1844, a mob stormed the jail in the dusty frontier town of Carthage, Illinois. Clamorous and angry, they were hunting down a man they saw as a grave threat to their otherwise quiet lives: the founding prophet of Mormonism, Joseph Smith. They wanted blood. At thirty-nine years old, Smith had already lived an outsized life. In addition to starting the Church of Latter-day Saints and creating his own "Golden Bible" – the Book of Mormon – he had worked as a water-dowser and treasure hunter. He'd led his people to Ohio, then Missouri, then Illinois, where he founded a city larger than fledgling Chicago. He was running for President. And, secretly, he had married more than thirty women. In American Crucifixion, Alex Beam tells how Smith went from charismatic leader to public enemy: how his most seismic revelation – the doctrine of polygamy – created a rift among his people; how that schism turned to violence; and how, ultimately, Smith could not escape the consequences of his ambition and pride. Mormonism is America's largest and most enduring native religion, and the "martyrdom" of Joseph Smith is one of its transformational events. Smith's brutal assassination propelled the Mormons to colonize the American West and claim their place in the mainstream of American history. American Crucifixion is a gripping story of scandal and violence, with deep roots in our national identity.

Being a Complete Exposé of Mormonism : and Revealing the Sorrows, Sacrifices and Sufferings of Women in Polygamy Anchor Books

Irene Spencer did as she felt God commanded in marrying her brother-in-law Verlan LeBaron, becoming his second wife. When the government raided the fundamentalist, polygamous Mormon village of Short Creek, Arizona, Irene and her family fled to Verlan's brothers' Mexican ranch. They lived in squalor and desolate conditions in the Mexican desert with Verlan's six brothers, one sister, and numerous wives and children. Readers will be appalled and astonished, but most amazingly, greatly inspired. Irene's dramatic story reveals how far religion can be stretched and abused and how one woman and her children found their way out, into truth and redemption.

A novel Grand Central Publishing

#1 NATIONAL BESTSELLER • "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism." —PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more—including Krakauer's—in guilt-ridden disarray, would also provide the impetus for Into Thin Air, Krakauer's epic account of the May 1996 disaster. By writing Into Thin Air, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of Into Thin Air includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since Into Thin Air's denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored The Climb, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to

disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters—a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."

Portofino Harper Collins

Kathryn Joyce's fascinating introduction to the world of the patriarchy movement and Quiverfull families examines the twenty-first-century women and men who proclaim self-sacrifice and submission as model virtues of womanhood—and as modes of warfare on behalf of Christ. Here, women live within stringently enforced doctrines of wifely submission and male headship, and live by the Quiverfull philosophy of letting God give them as many children as possible so as to win the religion and culture wars through demographic means. From the Trade Paperback edition.

Keep Sweet Bloomsbury Publishing USA

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Church of Lies Canongate Books

Bistline, resident historian of Colorado City, Arizona, has compiled a detailed history of the shifts in power, changes in leadership and philosophies, and the persecution from outside and within this polygamist community.

Abusing Religion HarperCollins

The current volume covers scholarly discussions on different topics such as the arrangement and the layout of the Holy Quran, Divine revelation, reality of miracles, polygamy, Jihad with sword, capitation tax, the wives of the Holy Prophet(sa), the Islamic laws regarding marriage and divorce, the electoral system of Khilafat, the just and democratic form of Islamic government etc.

My Seven-Year Investigation into Warren Jeffs and the Fundamentalist Church of Latter-Day Saints Vintage

The story of Israel's triumphs, defeats, backslidings, captivity, and reformation abounds in great.
