the ebook version. Fast Food Nation Writers at Work: The Essay Student's Book Emphasizing that thinking well and writing well are invariably connected, CRITICAL THINKING, THOUGHTFUL WRITING, 6e delivers thorough coverage of the writing process, going beyond the traditional rhetoric to teach you how to evaluate sources, images, and arguments. This rhetoric with readings introduces the process of thinking critically as a powerful approach to writing, to critically evaluating electronic and visual media, and to life in general. Each chapter focuses on a critical-thinking skill--such as problem solving or analysis of complex issues--that is explored through Thinking-Writing Activities and thematically linked readings. Each of the readings challenges you to read actively, think critically, and then write about the readings. The Sixth Edition offers provocative new readings, a four-color interior design, expanded writing projects that help you fully interact with

the writing process, annotations to student essays, and more in-chapter questions to help you reflect on the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **501 Writing Prompts**

Macmillan

Following on from *Writers at Work: The Paragraph and Writers at Work: the Short Composition*, *Writers at Work: The Essay* will teach the basics

of academic essay writing to intermediate-level students. In *Writers at Work: The Essay*, college and university students use the process approach to write different genres of essays common at the post-secondary level, the most important being expository writing, persuasive writing, and timed essay exams. Each chapter uses the same five-step approach to writing that is used in the two lower-level books. In each chapter, students analyze a model essay, noticing key organizational and linguistic features; brainstorm ideas; write multiple drafts; revise their work; engage in peer reviews; and share their finished work. Chapters recycle and build upon previously taught material.
