Nora Roberts introduces an unforgettable
thief in an unputdownable new novel...
Greed. Desire. Obsession. Revenge . . .
It ' s all in a night ' s work. Harry Booth
started stealing at nine to keep a roof
over his ailing mother ' s head, slipping
into luxurious, empty homes at night to
find items he could trade for precious

cash. When his mother finally succumbed to cancer, he left Chicago—but kept up his nightwork, developing into a master thief with a code of honor and an expertise in not attracting attention?or getting attached. Until he meets Miranda Emerson, and the powerful bond between them upends all his rules. But along the way, Booth has made some dangerous associations, including the ruthless Carter LaPorte, who sees Booth as a tool he controls for his own profit. Knowing LaPorte will leverage any personal connection, Booth abandons Miranda for her own safety—cruelly, with no explanation—and disappears. But the bond between Miranda and Booth is too strong, pulling them inexorably back together. Now Booth must face LaPorte, to truly free himself and Miranda once and for all.

Earth Bound Susan Stoker
The Sleeper SEALs, are former U.S. Navy SEALs recruited by a new CIA counter-terror division to handle solo dark ops missions to combat terrorism on U.S. soil. Logan (Preacher) Bishop, retired Navy SEAL, flew tourists on helicopter rides over the mountains of Montana and occasionally rescued skiers from snowy slopes. With the threat of terrorists developing means of biological warfare, he jumped at the chance to run a mission in Alaska, monitoring the activities of a newly established ISIS cell. Vivian Sanders, a biologist with the Department of Homeland Security, was tasked with finding out what the terrorists were creating. Assigned to work with an

agent on a cell in Alaska, she was stunned to find she was being paired with a security specialist and he knew nothing about their cover—living next door to the terrorists and pretending to be married. Precise in his planning and executions of missions, the impulsive Viv drove Logan to distraction and of all his missions, he was certain this one would fail. Learning to work together, Logan and Viv discover opposites do attract. But the secret Logan carries—how he is to finish the mission—is one he is afraid she won't be able to accept. When the chemicals created by the terrorists next door threatened to be tested on a small town in Alaska, they fight to survive...both hoping their love survives the battle as well.

** Logan Bishop was first introduced in the Saints Protection & Investigation Series (Surviving Love). This book is in the "Sleeper SEAL" connected series. Each book is a stand-alone, with no cliffhanger endings. Each book in this multi-author branded series is a standalone novel, and the series does not have to be read in order.

Protecting Kiera: A Navy SEAL Military Romantic Suspense Susan Stoker

Alabama didn't have a good start to life.

Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after.

The Eve of Spain St. Martin's Griffin

An assignment turned deadly... Journalist Hayley Garner thought this was the chance of a lifetime. Instead, she's facing certain death. Taken hostage by terrorists, she knows she won't live to see the sun rise. That is until a Navy SEAL charges in to save her. Tall, dark, and handsome, he disappears before she can even thank him. But when her new story lands her at the Navy Training Facility, Hayley finds her sexy-assassin SEAL. Even better, he asks her out. But not everything is going her way. Someone is after Hayley again. And the danger is as real as her feelings for Chasen. A rescue turned romance... The attack of 9/11 changed Chasen Ward. He switched career paths to become a SEAL and devote his life to fighting terrorism and protecting civilians. While that

fulfills his work life, the hazards of his job are more than most women can take. The last thing he expected was to meet a woman whose job was as risky as his. He's falling fast for Hayley, but now she's in jeopardy. When Hayley is kidnapped, Chasen will turn San Diego inside out to find her. But will it be too late?

Just as she thought she was getting her life together, his past would come back to haunt them both. Sam "Mozart" Reed's life changed the day his little sister was found abused and murdered when he was fifteen. He's spent the past nineteen years looking for the serial killer who took his sister from him and ruined his family. Using his connections, and SEAL

training, Mozart believes he's finally tracked the killer to the town of Big Bear, California. Summer Pack is working in a crappy motel up at Big Bear Lake until she can find something better, more meaningful, more real. Living in an unhealthy situation, she meets a man who is everything she's ever dreamed about and who helps her see that there are some people in the world who will actually do what they say they will. But somewhere in Big Bear a killer is waiting to strike again. Watching for the perfect victim. **Protecting Summer is the 4th book in the SEAL of Protection Series. Nightwork EverAfter Romance Sweat clung to every inch of her body and her legs were aching. But after the hell she'd been through, she welcomed the pain. Cookie "Hunter" Knox was good at his job, infiltrating behind enemy lines was one of his specialties. His SEAL team relied on him to do his job, just as he relied on them to do theirs. Ever since two of his teammates found a woman

that completed them, their dangerous Ops seemed a bit more intense. Cookie knew if he had a woman who belonged to him, he'd never let her go. Little did he know the SEAL team's latest mission to Mexico would change his life forever. Fiona Storme resigned herself to the fact that it was highly unlikely she would make it out of the jungle alive. Kidnapped by human traffickers, abused, and without family or friends looking for her, Fiona knew wishing for rescue was as realistic as having a big, juicy hamburger fall from the sky. Unbeknownst to Fiona, the SEAL team, including Cookie, were on the way, but their assignment didn't consist of rescuing her. **Protecting Fiona is the 3rd book in the SEAL of Protection Series. When you give your heart to a soldier, every moment is precious. While life is blossoming at home, death awaits abroad and a hero's work is never done. Wolf and his fellow SEAL team members have saved many lives, and been in even more harrowing situations, but their latest mission might prove the most difficult of all. Charged with rescuing American soldier, Sergeant Penelope Turner, from the clutches of ISIS, the men infiltrate the refugee camp where she's believed to be held. The conditions are horrific, the search nearly impossible, but Penelope herself could prove the key to their success...if the SEALs can interpret her clues. An unforgiving desert, perilous mountain terrain, a rising body count and insurgents on the hunt...all of this and more stands between the SEALs

completing their mission and returning home to their women, left to bravely deal with fears of their own stateside. Sometimes a mission is more than one team can handle. With a little help from newfound friends, the SEALs won't stop until they've won the day. Failure is not an option. ** Protecting the Future is the 8th book in the Seal of Protection Series. Protecting Caroline Susan Stoker

Being disabled doesn't mean being unable and he's about to get schooled. Cooper Nelson's SEAL career was cut drastically short when an explosion left him almost completely deaf. With so much of his pride and self-worth tied to the profession he loved above all else, Coop struggles in his

nearly silent new world, his future seemingly bleak...until Commander Hurt badgers him into volunteering at the Riverton School for the Deaf. There, he meets teacher Kiera Hamilton, who opens his eyes—and his heart—to a love more fulfilling than any job could be. Ten years his senior, Kiera can't believe Coop would ever be interested in anything long term, but he patiently proves her wrong. And she's not the only one enamored with the sexy former-SEAL—her impressionable first-grade students are enthralled with the man, especially Frankie. The troubled young boy flourishes with each of Cooper's visits, which only makes Kiera fall harder. As he learns ASL, connects with the students, and gets closer to Kiera, Coop's happier than he's ever been...until an attempted abduction at the school threatens to take away everything that makes his new

life worth living. **Protecting Kiera is the 9th book in the SEAL of Protection Series. How to Manage Your Tinnitus

St. Martin's Press

The heat was staggering and she began to feel light headed. But she wasn't leaving without him. Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself. Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their prayers would be

answered, but like most things you know exactly what you're in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after. **Protecting Alabama is a stand-alone love story. It's Book 2 in the SEAL of Protection Series.** --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker never disappoints. The Book of Witches Oak Tree
Press (Ireland)
How far will one man go to
save the life of a stranger?
More importantly to Caroline,
will he do it twice? Matthew
"Wolf" Steel hated flying
commercial. Luckily his job
as a Navy SEAL meant he
didn't have to do it very
often. He'd been unlucky
enough to be assigned a
middle seat on the cramped

jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need,

Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone love story. It's Book 1 in the SEAL of Protection Series.** --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. 3 Little, Brown

She swore she'd never use the phone number he gave her, but considering what was lying on the floor in front of her, she knew she needed help. Tex gave everything he had to his country and his SEAL teammates. When an IED took away part of his leg, and his career, he devoted himself to his country and friends from behind his computer. He's always been the man that can find anyone, that uses his computer skills, legal and illegal, to keep people safe

and to put the bad guys behind and strong, sassy heroines." bars. But behind a computer is a lonely place to be. While he might put on a good front, Tex can't help but feel he's missing out when he sees how happy his friends are. But when the woman he's been talking to online for the last six months suddenly disappears without a word, Tex knows it's time to step up, and use his skills for himself this time.

**Protecting Summer: A Navy SEAL
Military Romantic Suspense**

Ballantine Books

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive

guidance, including a "10-Step Marital Improvement Guide." Readers will laugh. They'll cry. And they can start on the road toward their own happy ending! *The Complete Tolkien Companion*
EverAfter Romance
God is great—for your mental, physical, and spiritual health. Based on new evidence culled from brain-scan studies, a wide-reaching survey of people's religious and spiritual experiences, and the authors' analyses of adult drawings of God, neuroscientist Andrew Newberg and therapist Mark Robert Waldman offer the following breakthrough discoveries: • Not only do prayer and spiritual practice reduce stress, but just twelve minutes of meditation per day may slow down the aging process. • Contemplating a loving God rather than a punitive God reduces anxiety and depression and increases feelings of security, compassion, and love. •

Fundamentalism, in and of itself, can be personally beneficial, but the prejudice generated by extreme beliefs can permanently damage your brain. • Intense prayer and meditation permanently change numerous structures and functions in the brain, altering your values and the way you perceive reality. Both a revelatory work of modern science and a practical guide for readers to enhance their physical and emotional health, *How God Changes Your Brain* is a first-of-a-kind book about faith that is as credible as it is inspiring.
