God is great—for
your mental, physical,
and spiritual health.
Based on new
evidence culled from
brain-scan studies, a
wide-reaching survey
of people ' s religious
and spiritual
experiences, and the
authors ' analyses of
adult drawings of
God, neuroscientist
Andrew Newberg and
therapist Mark Robert
Waldman offer the
following
breakthrough
discoveries: • Not
only do prayer and
spiritual practice
reduce stress, but just
twelve minutes of
meditation per day
may slow down the
aging process. •
Contemplating a
loving God rather
than a punitive God

reduces anxiety and
depression and
increases feelings of
security, compassion,
and love. •
Fundamentalism, in
and of itself, can be
personally beneficial,
but the prejudice
generated by extreme
beliefs can
permanently damage
your brain. • Intense
prayer and meditation
permanently change
numerous structures
and functions in the
brain, altering your
values and the way you
perceive reality. Both a
revelatory work of
modern science and a
practical guide for
readers to enhance
their physical and

that is as credible as it is
inspiring.

This is a self-help workbook that is intended for use by patients or by anyone who is bothered by tinnitus. It accompanies the two Progressive Tinnitus Management books -- the Counseling Guide and Clinical Handbook for Audiologists. This

third edition of the workbook has been extensively revised and expanded to include new sections describing key components of Cognitive-Behavioral Therapy (CBT).. A DVD and CD are included with the workbook. The DVD contains four interactive videos, all of which are captioned. The first two videos show the education that is provided to patients during the first and second sessions of PTM Level 3 Group Education (this video is different from the one for the PTM clinical handbook-the workbook version is designed for individual viewing at home while the handbook version is designed for group viewing in the clinical setting). The third and fourth videos on the

DVD provide demonstrations of two relaxation techniques- deep breathing and imagery. These relaxation videos can be used to supplement the Level 3 Group Education. The 76-minute audio CD contains a tutorial of how sound can be used to manage tinnitus, followed by samples of different sounds. Clinicians can use the CD to supplement the PTM counseling. Ten years his senior, Kiera can't believe Coop would ever be interested in anything long term, but he patiently proves her wrong. And she's not the only one enamored with the sexy former-SEAL-her impressionable first-grade students are enthralled with the man, especially Frankie. The troubled young boy flourishes

with each of Cooper's visits, which only makes Kiera fall harder. As he learns ASL, connects with the students, and gets closer to Kiera, Coop's happier than he's ever been...until an attempted abduction at the school threatens to take away everything that makes his new life worth living. Her targets are the powerful and corrupt, those who can ' t be touched by the law. Now, after nineteen years of service, Lily has been drawn into a dangerous game that hasn ' t been

sanctioned, seeking vengeance for her own reasons. Each move bolder than the next, she is compromising her superiors, drawing unwanted attention, and endangering her very life. Though stress and shock have made her feel somewhat invincible and a little cocky, Lily knows that she too can be taken out in an instant. And if it ' s her time, so be it. She intends to go down fighting. A CIA agent himself, Lucas Swain recognizes the signs of trauma in the line of fire. His orders: either bring her in or bring her down. Yet he too is drawn into the game with Lily Mansfield, dancing on a tightrope as he tries to avoid a major international incident while still battling a tenacious foe who is dogging their every

step. Keeping laser focus on the task at hand while vigilantly watching her back, Mansfield never sees the lethal peril that lies directly in her path . . . and how loyalty has a price. Chock-full of the intrigue, breathless action, and sensuality that have made Linda Howard the master of romantic suspense, *Kiss Me While I Sleep* is a daring thriller of passion, sudden twists, and richly imagined characters who live and breathe in readers ' hearts. It is the most gripping and complex novel of Linda Howard ' s career.

strapped to her chest, but she wasn ' t going to bring anyone else down with her. Living in Southern California, Cheyenne was used to seeing hot military men as she went about her daily business. An anonymous encounter at the grocery store cemented her crush on one such man. He was big, built, and incredibly easy on the eyes, but it wasn't as if he would ever really notice her. Always in control of any situation, Faulkner " Dude " Cooper knows explosives. As a bomb expert,

he's lived through many high pressure situations. Disfigured by a bomb while on a mission, he's used to being looked at with pity. When he's called to a local supermarket to assist the local PD, the last thing he expects to find is a generous act of kindness performed by a beautiful, amazing woman. Enchanted by her selflessness in the face of danger and intrigued by her actions to save civilians she didn't know, Dude 's hooked. Dude was able to save Cheyenne from the group of thugs

trying to take her life, but when the past comes back to haunt them both, sometimes having the knowledge and the desire isn't enough to beat the countdown of the clock. **Protecting Cheyenne is the 5th book in the SEAL of Protection Series. left him almost completely deaf. With so much of his pride and self-worth tied to the profession he loved above all else, Coop struggles in his nearly silent new world, his future seemingly bleak...until Commander Hurt badgers him into volunteering at the Riverton School for the Deaf. There, he meets teacher Kiera Hamilton, who opens his eyes—and his heart—to a love more fulfilling than any job could be. Ten years his senior, Kiera can't believe Coop would ever be

interested in anything long term, but he patiently proves her wrong. And she's not the only one enamored with the sexy former-SEAL—her impressionable first-grade students are enthralled with the man, especially Frankie. The troubled young boy flourishes with each of Cooper's visits, which only makes Kiera fall harder. As he learns ASL, connects with the students, and gets closer to Kiera, Coop's happier than he's ever been...until an attempted abduction at the school threatens to

take away everything that makes his new life worth living. **Protecting Kiera is the 9th book in the SEAL of Protection Series. The heat was
staggering and she
began to feel light
headed. But she
wasn't leaving
without him.
Alabama didn't

have a good start to
life. Emotionally and
physically abused by
her mama, Alabama
spent her high school
years in foster care.
People let her down,
time after time, and
she'd learned to
rely on only herself.
Christopher
"Abe" Powers
earned his nickname
because he tolerated
nothing less than
absolute honesty
from the people
around him. Finding
the bar scene stale
and having watched
his friend and
teammate, Wolf, find
the woman of his
dreams, Abe was
determined to find
someone to share his
life with too.
Alabama and Abe
had no idea their
paths would cross

and their prayers
would be answered,
but like most things
in life, nothing is ever
as easy as it seems at
first. Two words
would change both
their lives and
they'd have to fight
hard for their happy
ever after.
