A friend bought a new car last week. That's not unusual, but the car she chose is not one you might expect. It is a Proton Savvy — red with the automated manual gearbox. The Malaysian baby car was not on her shopping list at first, then she read about it and had committed within a week. Why? Because the price is right, because it looks good and because she thought it was fun to *Proton Savvy Manual Review*

Proton Savvy  
Manual Review

We're guessing that the Proton Savvy probably won't be a used citycar at the top of your shortlist if you're looking for a

runabout. In fact we'd be surprised if it's there at all given the wealth of alternatives your money could stretch to, based around urban tots produced in the 2005 to 2012 period.
