Math 10 Sample Provincial Exam Question - Yahoo Answers

Hey so Math 10 is extremely hard! :(I'm just about to go into my provincial exam (BC) and I have studied a bit but I am not strong in math so it really doesn't make much difference. So I was wondering what I need on my provincial exam to just pass the class with a 50% ?! I'm entering the exam with a 42.0% (fail) and the provincial is worth 20% of our final grade.
