Allen Kardec believed that the ability to communicate with the spirit world was hindered because man did not know how to pray. This belief inspired him to write a collection of prayers accompanied by instructions for their appropriate use. Many worldwide have found these prayers to be an essential tool for communicating with spirits on a positive level. Mr. Kardec's original work was in French. As interest in Spiritualism grew so did the acceptance of his beliefs, which lead his works to be translated into other languages. My sole purpose in authoring this work was to create a more comprehensive English version of this highly effective tool in order for it to reach a broader audience. My hope is that this work will open for many more the gateway to true spiritual understanding.

Cae Cordell's dramatic sequel to House of Darkness. The tale of her own life as a child in the hills of Arkansas, of Cherokee and Irish descent, and her spiritual struggle out of the sexual abuse from her mother, and also verbal, psychological and physical abuse of her parents and later her husband. She tells of her work in the Pentecostal churches as a minister, and the defense of the abuse from her husband by the leadership of those churches in the name of wifely obedience to the husband, and her defense of her children. (See also: Pentecostals and Sexual Abuse: Institutional Denial or Healing Ministry? -- upcoming, from this same author.)Cae Cordell's story is a heroic tale of rising up out of horror into a new sense of self, and a new life in accordance with her faith. Cae not only has fought hard to recover her own soul, as it were, but has been for some years now counseling abuse victims, and in the state prisons, counseling abusers, to get them to a point where they can see the consequences of their actions. Among other things, in a poll of 500 abusers in the state prison system, almost all were discovered to have been themselves sexually and morally abused.This is a sin that just keeps on giving.

A revealing window into the secret and seductive world of Santeria. • A Santeria priest discloses information never before revealed to outsiders. • Removes the veil of occultism from Santeria to show it as a highly spiritual, thriving religion. Initiated into the Santeria priesthood at the age of seven, Raul Canizares unveils in Cuban Santeria the secret and seductive world of this rapidly growing, yet largely misunderstood, Afro-Cuban religion. With the knowledge of an insider and the insight of a scholar, Canizares astutely examines the practice of Santeria, revealing many of its hidden dimensions while simultaneously providing a fascinating account of its unique textured mix of African, Cuban, and Catholic traditions. The Cuban-born author describes the practices and rituals of the followers of Santeria--from magical herbal prescription and healing to spiritism and animal sacrifice--and explains how for many years the religion has been maintained under the guise of Catholicism to avoid religious persecution. Most initiates are sworn to a code of silence, but Canizares believes that the time has come to move Santeria, a religion of beauty and resilience, out of the darkness and into the light so that a more accurate picture of this rich tradition can emerge.
