Because long explanatory

notes can be distracting to readers, most academic style guidelines (including MLA and APA, the American Psychological Association) recommend limited use of endnotes/footnotes.

There are two types of material you can insert into your assignment: figures and tables. A figure is a photo, image, map, graph, or chart. A table is a table of information.

Workplace Psychology | The Science of People at Work
Personality type refers to the psychological classification of different types of individuals. Personality types are sometimes distinguished from personality traits, with the latter embodying a smaller grouping of behavioral tendencies. Types are sometimes said to involve qualitative differences between people, whereas traits might be construed as quantitative differences.
