Muchinsky's book  
"Psychology Applied to  
Work" is the authoritative  
standard for I/O  
psychology texts. It is well-  
written and includes just  
about every facet of the  
subject. Some greater  
detail could be found in  
the APA's 3-volume set  
on I/O psychology, but  
this has most of the  
important items and is  
about three times less  
expensive.
