OSAT School Psychologist (033) Secrets Study Guide Barrons Educational Series

ì This guide is direct and practical. You will find out exactly where you are weakest in knowledge so that your studying can be most directed. I exceeded the NASP passing score AND the national average on my first try at the praxis 400 exam-- using this book as my 'Bible' (and I am "only" a Specialist level sch. psych). î ì [I] used this book and passed with a 720. [I]t's straightforward, and the practice test was useful -- recognized several questions on the actual exam from the practice test. î ì This book was very helpful in preparing for the Praxis II: School Psychology Test. It not only gave general studying guidelines, but also went through bullet points of all of the most important information to study for each section of the test. î Fully updated, this concise and easy-to-use guide gives students preparing to take the PraxisTM Test in School Psychology--required for licensure by most US states and the National Association of School Psychologists--an accessible content review with two complete sample exams. The guide encompasses all of

the content areas appearing on the exam ó Data-Based Decision Making, Research-Based Academic Practices, Research-Based Behavioral and Mental Health Practices, Consultation and Collaboration, Applied Psychological Foundations, and Legal, Ethical, and Professional Foundations. Review content is presented concisely and efficiently, allowing students to focus on the most relevant information. Written by a practicing school psychologist and field-tested with school psychology students, the guide describes the test in a conversational and accessible style and offers helpful tips on how best to study for and take the exam. This Second Edition has been expanded and updated to include: New legal considerations that directly impact the practice of school psychology Coverage of Response to Intervention (RTI) New assessment procedures Current developments in school neuropsychology issues New intervention practices Updated practice exams with new questions that reflect recent exam changes An in-depth answer key providing rationales for correct and incorrect answers New sidebars with insider tips and pointers [Praxis School Psychologist \(5403\) Secrets Study Guide: Exam Review and Practice Test for the Praxis Subject Assessments Test Prep Books](#)

Are you getting ready to take the Praxis Exam and looking for a resource to help as you study? In this guide, Williams and Mennuti, two veteran school psychologists who have been involved in the development, testing, and revision of the Praxis Exam, present their PASS model to help you study and achieve the best score possible: Prepare – Find out how to register for the exam, what to bring with you on the day of the test, how the score reporting process works, and how to get ready to study. Chapters review each content area in-depth, and numerous graphic organizers provide invaluable study tools. Useful sample questions with rationales for correct and incorrect answers to each question are included at the end of each chapter to test your knowledge. Assist – Doing your best on the Praxis depends on successful study habits. The authors show you practical ways to review the material effectively and make the most of your time. Survive – Feeling overwhelmed? Learn how to get organized, develop a study schedule, take care of yourself, and manage your anxiety. Succeed – Show-up for the test prepared and confident, and walk-out knowing you did your best! In this guide, you'll also find reflections from students who have used the PASS model to prepare for the Praxis, along with their experiences taking the exam and some of the challenges they faced and how they overcame them. An accompanying CD contains all of the graphic organizers found in the text, six practice exams with answer keys, and other helpful materials for you to use as you prepare for the exam.
