[Exploring Psychology Study Guide](#) Mometrix Media Llc
Through lively writing and stimulating examples, authors Carole Wade and Carol Tavris invite readers to actively explore the field of psychology and the fundamentals of critical and scientific thinking. "Invitation to Psychology" presents the science of psychology according to six areas of the learner's experience: Your Self, Your Body, Your Mind, Your Environment, Your Mental Health and Your Life. This unique organization engages readers from the very beginning and gives them a framework for thinking about human behavior. Incorporating many active learning and critical thinking features, a balance of classic and contemporary research, and thorough integration of the psychology of

women and men of all cultures-readers will learn much to take with them. For individuals seeking an introduction to psychology.

His popular courses were renowned for their energetic presentations, commitment to scholarship, and helping students achieve high AP® exam scores. All of

Mr. Krieger ' s students scored above a 3 on their AP® exams, with most students scoring a 4 or a 5. In 2004 and 2005, the College Board® recognized Mr. Krieger as one of the nation ' s foremost AP® teachers. Mr. Krieger ' s success has extended far beyond the classroom. He has written several history textbooks and is a co-author of REA ' s Art History AP® test preparation guide. His latest venture, the AP® Crash Course® series, helps students strategically and effectively prepare for their AP® exams. GRE Psychology Test Secrets Study Guide Mometrix Secrets Study Guides "This book is designed to help students organize their thinking about psychology at a conceptual

level. The focus on behaviour and empiricism has produced a text that is better organized, has fewer chapters, and is somewhat shorter than many of the leading books. The beginning of each section includes learning objectives; throughout the body of each section are key terms in bold followed by their definitions in italics; key takeaways, and exercises and critical thinking activities end each section"--BCcampus website.
