What's in This AP Psychology Study Guide? This guide will help you study for the AP Psychology exam and other assessments in your class by providing study strategies and other resources that pertain to the material covered in the course. In the first section, you'll learn how to create a study plan for the exam that supports your needs as a student. This section applies exclusively to the final AP exam, so it's less relevant if you're just studying for an in-class test.
