Few companies have  
had the impact on  
the landscape of  
American automotive  
engineering that  
Chrysler has had.  
Hailing from the  
United States' own  
Motor City of  
Detroit, Chrysler  
has produced at  
least two of  
America's main  
brands of car -  
Dodge and Jeep,

which have each  
gone on to  
symbolize the most  
American elements  
of the automobile.

Re: Service/Repair  
Manual There's not a  
heck of a lot of  
change if your not  
performing surgery  
on the cruiser. We  
have and 01-04  
manual on the forum  
in the TECH section  
and you can pick up  
a Haynes manual on  
line or most auto  
stores for about  
\$20. The owners  
manual itself will  
give you some help  
like the new fuse  
panel under the  
hood.
