Handbook of Public Economics, Volume 2 - 1st Edition

This title provides a comprehensive treatment of public sector economics, dealing with theory, policy and practice with the broad context of political economy. It recognizes that students invariably study other subjects simultaneously with economics and so attempts to provide more of a multi disciplinary

approach than is usually the case.

Public Sector Economics - 1st Edition - Elsevier

Description. Public Sector Economics: Made Simple introduces the reader, step by step, clearly and methodically, to the concepts and principles of public sector economics. The functions and finance of central government, local authorities, and nationalized industries are examined within the framework of a national economy.

[Public Sector Economics 1st Edition](#)

The aim of this book is to provide a rather more comprehensive wide-ranging treatment of public sector economics than is usual. It deals with theory, policy and practice within the broad context of political economy and attempts a more general integration of them than is found in most other texts. It recognises that students invariably study other subjects simultaneously with economics, aiming to provide more of a multi-disciplinary approach than is usually the case.
