All his life Tate McCullom has been taught to be responsible, and he is the very model of what a respectable man should be. Until the night he gets drunk and sleeps with a woman he barely knows. Now, six weeks later, she's pregnant, alone, and broke. Once again, Tate must take responsibility for his actions, and makes plans to marry his child's mother. There's only one problem...he has to tell his fiancée. Abby Grayson hasn't had an easy life. As the daughter of the town whore, people either avoid her or think she's like her mother. For Abby, it's a struggle just to fill her belly and keep a roof over her head. Loneliness and a secret yearning for this man she thought she'd never have led her to spend the night with Tate. But the last thing she needs is a baby when she can barely take care of herself. Desperate, but too proud to ask for help, she finally agrees to accept a job from Tate the job of being his wife. Now she has almost everything she's ever dreamed of. Unfortunately, only one thing will gain her Tate's love - his realization that the night he spent with her was no drunken accident. It was a last-ditch attempt to win the woman he really wanted.

Overthrowing Your Empire of Noise Noise. It ' s everywhere.

Televisions blaring out commercials. Opinions shouted over the radio. The Internet and its unlimited distractions. All of the tasks and choices that you know don't really matter. Always intensifying, becoming a deep part of our everyday cycle, our now hurried lives. But often God speaks to us in the stillness. When Elijah needed to hear from God, God sent a fire, a quake, and a huge wind. But God wasn ' t in the fire. He wasn ' t in the quake. He wasn ' t in the wind. God was in the whisper. But the noise hides the whisper. Life is a dangerous place when we are stripped of our ability to hear God clearly. During His time here on earth Jesus Christ was a master of noise. He balanced time healing, teaching, and feeding the multitudes with regular periods alone with His Father. Static Jedi takes a look at the life of Jesus to help you master the noise and distractions and live in clarity.

Maggie Lee is not your average hitwoman. For one thing, she's never killed anyone. For another, after hitting her head in the car accident that killed her sister, her new best friend is a talking lizard—a picky eater, obsessed with Wheel of Fortune, that only Maggie can hear. Maggie, who can barely take care of herself, is desperate to help her injured and orphaned niece get the best medical care possible, so she reluctantly accepts a mobster's lucrative job offer: major cash to kill his monstrous son-in-law. Paired with Patrick Mulligan, a charming murder mentor (who happens to moonlight as a police detective), Maggie stumbles down her new career path, contending with self-doubt, three meddling aunts, a semi-psycho friend predicting her doom, and a day job she hates. Oh, and let's not

forget about Paul Kowalski, the sexy beat cop who could throw her ass in jail if he finds out what she's up to. Training has never been so complicated! And, this time, Maggie has to get the job done. Because if she doesn't . . . she's the mob's next target.

Jenzy: I love my husband, but he doesn't see me anymore. We were college sweethearts and for seven years I've been his wife. Five of those years were bliss; the last two have been a long fall from grace. He's the love of my life, the sexy and smart man I saw my future with, but now I don't think he sees it too. I'm tired of not being seen, I'm tired of not being heard, and I'm tired of being in love alone. I was his optimistic hippie girl that he couldn't get enough of. Now I'm just his annoyance. So I told him, I finally found the backbone and this is our story.... Chris: My wife just told me she wants a divorce. What the hell do I say to that? I thought we were fine-, well fine is a bad word, I thought we were okay. Doesn't matter what I think because she's moving out and I can't really let this happen. Yeah, she annoys me, we're total opposites, but I knew that when I met her, she hasn't changed...maybe I have? I was her anchor, her safety, her home. Now I'm that guy that's wrecked her and there are plenty of men willing to repair the damage I did. So I have a plan. Find out what happened to change my affection for her within the last two years, and win her back before someone else does, because I still love her, and she still loves me....I guess....

*Can't Let Go* Revell

People come into our lives. Some stay, and many go. Some build us up, while most tear us down. They become our friends, our enemies, our lovers, our tormentors. Christian Davison came

into mine, and I knew I'd never be the same. To Elizabeth Ayers, New York City had always been a dream. She's worked her entire young life to make it here. Groomed to one day take over his father's law firm, attending Columbia University was Christian Davison's only option. Neither wanted anything more until they sat across from each other at a caf table after being paired as study partners. Christian wants her, but Elizabeth knows better than to give into their intense attraction. Yet there is little she can do to stay away . . .

Tall and thin, twenty-eight-year-old Bronwyn Palmer has become positively gaunt, a ghost of her former self. That self was—and still is—the wife of a rich, handsome executive with an ocean-view house and his own security staff. It was in that house, two years ago, that Bryce Palmer learned Bronwyn was pregnant with their first child. But Bryce's rage over his impending fatherhood touched off a chain reaction of emotional and physical traumas that wounded them both. For Bronwyn, it meant fleeing the perfect marriage to start over with nothing but a precocious daughter named Kayla to care for. For Bryce, it meant a tortuous two years spent blaming his wife for deserting him, and living with the pain of not knowing his child. Now a chance encounter has brought Bronwyn back into Bryce's life, both bearing scars...and neither knowing the whole truth of that fateful night that drove them apart.

Academic and industrial research around polymer-based colloids is huge, driven both by the development of mature technologies, e.g. latexes for coatings, as well as the advancement of new materials and applications, such as building blocks for 2D/3D structures and medicine. Edited by two world-renowned leaders in polymer science and engineering, this is a fundamental text for the field. Based on a specialised course by the editors, this book provides the reader with an invaluable single source of reference. The first section describes formation, explaining basic properties of emulsions and dispersion polymerization, microfluidic approaches to produce polymer-based colloids and formation via directed self-assembly. The next section details characterisation methodologies from microscopy and small angle scattering, to surface science and simulations. The final chapters close with applications, including Pickering emulsions and molecular engineering for materials development. A comprehensive guide to polymer colloids, with contributions by leaders in their respective areas, this book is a must-have for researchers and practitioners working across

polymers, soft matter and chemical and molecular engineering.

White Churches of the Plains Zondervan

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

Meteoroids and Orbital Debris A.P. Jensen

It was all fun and games...until that damned stick turned blue. Having a child in their teens was not on either of Zahra King's or Oliver Bradford's bucket lists, and the responsibility of it all eventually tore them apart. Now, years later, Zahra and Oliver are adults with thriving careers successfully co-parenting their pre-teen son, Connor. Things are going well; their mutually held animosity gave way over the years to respect and cooperation, something that can't be said about their parents nor a certain overprotective best friend who takes holding a grudge to a whole new level. There is still tension among their families and friends, but the only thing they're concerned about is making sure they've created the best life for their son. However, something else suddenly enters the picture. Something neither of them saw coming. Love. Love? Didn't they learn anything the first time around? The stakes are much higher and, if things go bad, it's guaranteed to destroy everything they've worked so hard to build. Should they keep old feelings buried and focus solely on their son? Or should they throw caution to the wind and give love a second chance?

A Husband's Regret Harlequin

From the acclaimed bestselling author of *Lost to You* and *When We Collide* comes a New Adult novel of one woman's obsession: a man who's as passionate as he is elusive—and as tempting as he is trouble... Aleena Moore is haunted by Jared Holt. It's been six years since she's seen her brother's best friend, the self-destructive bad boy she secretly loved in high school. As the years pass, she knows it's time to move on. Time

to decide between a practical nursing degree and her true dream as an artist. Time to get over Jared and give another guy a chance... Just when she opens her heart to her friend, Gabe, Aly returns home to find Jared sleeping on her couch. The teenage boy she loved has grown into a man she can't resist. Covered in tattoos and lost in rage, he's begging to be saved from his demons—the memories of the day he destroyed his family. As the two reconnect, their passion is hot enough to torch Aly's judgment. But can she risk her future for a man who lives on the edge of destruction?

Melanie Winters and Daniel Montgomery shared a love most only dream of, a love they believed bonded them together for life. When their world is shattered by the tragic loss of their daughter, overwhelming grief and misguided guilt distorts the truth, and their relationship ends in uncertainty and unanswered questions. For nine years, they drift through life, each unable to forget the one who holds the strings to their heart. In an attempt to escape the pain of her past, Melanie finds herself trapped in a loveless marriage, while Daniel loses himself in a career that means nothing without Melanie by his side. Now, when their lives again intersect, neither can deny the connection they felt so long ago. But will the power that drew them together be enough to heal the wounds from their past, and will they have the courage to overcome the insecurities and fears that threaten to keep them apart? *Pulled* is a story of attraction and separation, of destiny and duty, of a love so strong it refuses to give up even when all others have. "Okay, this one did it for me in a big way. I'm an angst-lover. And by that I mean, I'm a Thoughtless, Beautiful Disaster, Love Unscripted, Slammed, Fifty Shades of Everything, kind of reader. But there's gotta be an HEA. And not a half-done HEA but a real yeah-this-story-has-been-agonizing-but-look-it-was-all-worth-it HEA. So, that said, I earnestly recommend this book. If you're like me, you'll like this. Enjoy!" LitJunkie
