a unique resort—catering to fetishes and fantasies—in this sizzling ebook from New York Times and USA TODAY bestselling author Nicole Edwards. Travis Walker, the oldest of the seven Walker brothers, has been referred to as moody and mysterious, and for the most part, he would agree. Until recently, he spent his days helping his brothers

run the family business. Now, he dedicates his time and energy to building a resort, Alluring Indulgence, that caters to fetishes and fantasies. And despite his attempt to work himself into the ground, Travis has never denied—at least not to himself—that something is missing. Ten years ago, Travis made the hardest decision of his life, breaking his own heart in the process.

A decade later, he is learning that life has a strange way of turning things upside down before placing the pieces exactly where they were meant to go. Sirens, like herself, use men for money, power and status; but she has the greatest gift of all. Stronger than any of the

Siren's before her, Ivy's attraction alludes to a prophecy that could mean the rebirth of Greek gods and goddesses for our modern time. The Fates believe she is the symbol of a new era. Her mother believes she is the key to ultimate power in their Greek circle. And Nix, her godfather and god of the sea, believes she belongs to him. Ivy doesn't want any part of her world or the people that demand so much of her. With the help of Ryder

Sutton, her closest friend, she will fight against fate, against the expectations of her society and against the desires of a monster that will do anything to possess her. And through it all she will deny her feelings for the one person she loves more than anything in order to protect him. While her future crumbles around her, Ivy will go to extreme lengths to free herself from her glass prison—or drown trying. Blame It on the Shame Penguin

"She needed a husband... He needed the money. Preston: When an opportunity comes knocking, you shouldn't question it. Unless it comes in the form of a 5'2", feisty, loudmouth girl who just so happens to hate your guts. The same girl you haven't been able to get out of your head for three years. But, I'm a gambler by nature. A risk taker. I just have to make sure I don't end up giving her more than what we both bargained for. Like the messed-up thing beating in my chest. Kit: There's no one on earth I hate more

than Preston Holden. As if our past didn't give me enough of a reason--he's also a cocky, arrogant jerk with a gambling problem. Unfortunately for me, he just so happens to be the only guy I can ask to help me with my issue. It's simple. He needs the money. I need a husband. It's strictly business. A one-year stint between enemies. No strings. No feelings--other than our mutual dislike for one another. But the thing about hate? It can flip on a dime. It can have you questioning things about yourself you never thought you would. And if I'm

not careful--things are going to get even more complicated between us. You know the saying--'til death do us part? Well, in our case? It includes all the complicated parts."--Amazon website.
