...
Once all the shapes are cut

out and the pumpkin is put together with beautiful colors of paper, then have students glue down the pieces where they want them on their background color. Now that your students have created their colorful pumpkins, have them create patterns and designs for their pumpkin using pieces of paper (this encourages problem solving and fine motor skills) – no cheating with markers or crayons!

Choose the size that you like and cut out the pattern along its outline. Trace the pumpkin pattern at least ten times on orange construction paper. Cut out the pumpkin shapes.

Fold each pumpkin shape in the middle. Without unfolding a pumpkin shape, apply glue on one of its outer faces. We recommend using glue stick instead of white glue or any liquid-type glue to prevent the paper from wrinkling or warping.

Trim off excess paper. Tape or use pins to affix the pattern to the pumpkin. If your pumpkin is quite lumpy, dip the paper in water or vegetable oil (the oil will make printer ink run less, but makes the project quite slippery). Smooth the pattern onto the pumpkin, affix with pins or masking tape and let the paper dry.
