"Plain Dealing" is a book of essays by 25 accomplished Cleveland-area journalists.

It's a book of stories, many never told before. It's a first-person account of journalism in Cleveland, life in the newsroom, the issues and events these journalists covered, and the characters they worked with and met. The stories begin in the 1950s and go up to 2013, covering the post-World War II era through the days when Cleveland was a three daily newspaper city, then two, then one. The book ends with the mass layoffs and resulting decline that ushered in the "digital-first" age.

The Show I'll Never Forget

Simon and Schuster

Cork O'Connor battles vicious villains, both mythical and modern, to rescue a young girl in this riveting mystery from New York Times bestselling, Edgar Award-winning author William Kent Krueger. When the body of a teenage Ojibwe girl washes up on the shore of an island in Lake Superior, the residents of the nearby Bad Bluff reservation whisper that it was the work of a deadly

mythical beast, the Windigo, or a vengeful spirit called Michi Peshu. Such stories have been told by the Ojibwe people for generations, but they don't explain how the girl and her friend, Mariah Arceneaux, disappeared a year ago. At the request of the Arceneaux family, private investigator Cork O'Connor takes on the case. But on the Bad Bluff reservation, nobody's talking. Still, Cork puts enough information together to find a possible trail. He learns that the old port city of Duluth is a modern-day center for sex trafficking of vulnerable

women, many of whom are young Native Americans. As the investigation deepens, so does the danger. Yet Cork holds tight to his higher purpose—his vow to find Mariah, an innocent fifteen-year-old girl whose family is desperate to get her back. With only the barest hope of saving her from men whose darkness rivals that of the legendary Windigo, Cork prepares for an epic battle that will determine whether it will be fear, or love, that truly conquers all.

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years. Simon and Schuster
The New York Times bestselling author of Ordinary Grace weaves a vivid and pulse-pounding thriller that follows Cork O'Connor's search for a

missing man amid the fraught tensions at the border between Arizona and Mexico. On the Fourth of July, just as fireworks are about to go off in Aurora, Minnesota, Cork O'Connor and his new bride Rainy Bisonette receive a desperate phone call from Rainy's son, Peter. The connection is terrible but before the line goes dead, they hear Peter confess to the murder of someone named Rodriguez. The following morning, Cork and Rainy fly to southern Arizona, where Peter has

been working as a counselor in a well-known drug rehab center. When they arrive, they learn that Peter was fired six months earlier and hasn't been heard from since. So they head to the little desert town of Sulfur Springs where Peter has been receiving his mail. But no one in Sulfur Springs seems to know him. They do, however, seem to recognize the name Rodriguez.

Apparently, the Rodriguez family is one of the cartels controlling everything illegal that crosses the border from

Mexico. As they gather scraps of information about Peter, Cork and Rainy are warned time and again that there is a war going on along the border. "Trust no one in Coronado County," is the most common piece of advice they receive, and Cork doesn't have to be told twice. To him, Arizona is alien country. The relentless heat, the absence of water and big trees and shade all feel nightmarish to him, as does his growing sense that Rainy might know more about what's going on than she's

willing to admit in this fresh, exhilarating, and white-knuckle mystery starring one of the greatest heroes of fiction.

A Guest at the Ludlow, and Other Stories Simon and Schuster

The Quetico-Superior

Wilderness: more than two million acres of forest, white-water rapids, and uncharted islands on the Canadian/American border. Somewhere in the heart of this unforgiving territory, a young woman named Shiloh -- a country-western singer at the height of her fame -- has disappeared. Her father arrives in Aurora, Minnesota, to hire Cork O'Connor to find his daughter, and Cork joins a search party that includes an ex-con, two FBI agents, and a ten-year-old boy. Others are on her trail as well	-- men hired not just to find her, but to kill her. As the expedition ventures deeper into the wilderness, strangers descend on Aurora, threatening to spill blood on the town's snowy streets. Meanwhile, out on the Boundary Waters, winter falls hard. Cork's team of searchers loses contact with civilization, and like the brutal winds of a Minnesota blizzard, death -- violent and sudden -- stalks them. A New York Times bestseller:

The police investigate the death of a veterinarian in Venice, Italy in this “swiftly paced” mystery (The Seattle Times). When the body of man is found in a canal, damaged by the tides, carrying no wallet, and wearing only one shoe, Guido Brunetti has little to work with. No local has filed a missing-person report, and no hotel guests have disappeared.

The autopsy shows he had suffered from a rare, disfiguring disease. A shopkeeper tells Brunetti that the man had a kindly

way with animals. Finally, the victim is identified as a much-loved veterinarian—and Brunetti’s quest to find the killer will take him on a harrowing journey . . . “All her trademark strengths shine in this swiftly paced, sophisticated tale of greed versus ethics.” —The Seattle Times “Written with such delicacy and emotional force that we can’t help but be reminded of Greek tragedy.” —Booklist, starred review
