Invisible Monsters: A Novel Dark Horse Comics

Clown Girl lives in Baloneytown, a seedy neighborhood where drugs, balloon animals, and even rubber chickens contribute to the local currency. Against a backdrop of petty crime, she struggles to live her dreams, calling on cultural masters Charlie Chaplin, Kafka, and da Vinci for inspiration. In an effort to support herself and her layabout performance-artist boyfriend, Clown Girl finds herself unwittingly transformed into a "corporate clown," trapping herself in a cycle of meaningless, high-paid gigs that veer dangerously close to prostitution. Monica Drake has created a novel that riffs on the high comedy of early film stars — most notably Chaplin and W. C. Fields — to raise questions of class, gender, economics, and prejudice. Resisting easy classification, this debut novel blends the bizarre, the humorous, and the gritty with stunning skill.

Victor Mancini, a medical-school dropout, is an antihero

for our deranged times. Needing to pay elder care for his mother, Victor has devised an ingenious scam: he pretends to choke on pieces of food while dining in upscale restaurants. He then allows himself to be "saved" by fellow patrons who, feeling responsible for Victor's life, go on to send checks to support him. When he's not pulling this stunt, Victor cruises sexual addiction recovery workshops for action, visits his addled mom, and spends his days working at a colonial theme park. His creator, Chuck Palahniuk, is the visionary we need and the satirist we deserve.

In his first long-form fiction since *Beautiful You* in 2014, the author of *Fight Club* and *Choke* delivers another biting social satire in this riches-to-rags novella! This hardcover edition features beautiful colorable illustrations by Steve Morris (*Buffy the Vampire Slayer*), who worked on Palahniuk's *Bait: Off-Color Stories for You to Color*, and Mike Norton (*Revival*, *Battlepug*), with a cover by another *Bait* collaborator, Duncan Fegredo (*Hellboy*). *Legacy* is sure to engage readers with its boundary pushing story-telling while challenging their creative side through its visionary and twisted colorable imagery. An amoral investment banker

named Vincent receives an inheritance promising immortality. Unfortunately for Vincent to obtain immortality he has to contend with a flame-retardant stripper, a ruthless stalker, and a bloodthirsty horde of other aspiring immortals dead set in their desire to separate Vincent from his destiny. Praise for Bait: Off-Color Stories for You to Color: "The conceit is a blast. Ingenious...Palahniuk likes to involve his readers, and maybe even have them be co-conspirators. I loved this book. It's smart in a new way that deserves to be recognized.

Congratulations once again to Palahniuk for showing us a new way to do things...and to make us involved."--FORCES OF GEEK "Chuck Palahniuk is pushing boundaries again."--COMICBOOK.COM

"A billion husbands are about to be replaced." From the author of Fight Club, the classic portrait of the damaged contemporary male psyche, now comes this novel about the apocalyptic marketing possibilities of a new product that gives new meaning to the term "self-help." Penny Harrigan is a low-level associate in a big Manhattan law firm with an apartment in Queens and no love life at all. So it comes as a great shock when she finds herself invited to dinner by one C. Linus Maxwell, a software mega-billionaire and lover of the most gorgeous and accomplished women on earth. After dining at Manhattan's most exclusive restaurant, he whisks Penny off to a hotel suite in Paris, where he proceeds, notebook in hand, to bring her to previously undreamed-of heights of gratification for days on end. What's not to like? This: Penny discovers that she is a test subject

for the final development of a line of feminine products to be marketed in a nationwide chain of boutiques called Beautiful You. So potent and effective are these devices that women by the millions line up outside the stores on opening day and then lock themselves in their room with them and stop coming out. Except for batteries. Maxwell's plan for battery-powered world domination must be stopped. But how?

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They 're told by people who have answered an ad for a writer 's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you 'll ever read, one that could only come from the mind of Chuck Palahniuk.

Chuck Palahniuk 's world has always been, well, different from yours and mine. In his first collection of nonfiction, Chuck Palahniuk brings us into this world, and gives us a glimpse of what inspires his fiction. At the Rock Creek Lodge Testicle Festival in Missoula, Montana, average people perform public sex acts on an outdoor stage. In a mansion once occupied by The Rolling Stones, Marilyn Manson reads his own Tarot cards and talks sweetly to his beautiful actress girlfriend. Across the country, men build their own full-size castles and rocketships that will send them into space. Palahniuk himself experiments with steroids, works on an assembly line by day and as a hospice

volunteer by night, and experiences the brutal murder of his father by a white supremacist. With this new direction, Chuck Palahniuk has proven he can do anything. **BONUS:** This ebook edition includes an excerpt from Chuck Palahniuk's *Doomed*.

Stranger Than Fiction Vintage

The provocative and mind-bending new novel from the bestselling author of *Fight Club* and *Haunted*. Rant takes the form of a (fictional) oral history of Buster "Rant" Casey, in which an assortment of friends, enemies, admirers, detractors, and relations have their say on this evil character, who may or may not be the most efficient serial killer of our time. Buster Casey was every small kid born in a small town, searching for real thrills in a world of video games and action/adventure movies. The high school rebel who always wins — and a childhood murderer? — Rant Casey escapes from his hometown of Middleton into the big city and becomes the leader of an urban demolition derby called Party Crashing, where, on designated nights, the participants recognize each other by dressing their cars with tin-can tails, "Just Married" toothpaste graffiti, and other refuse, then look for special markings in order to stalk and crash into each other. It's in this violent, late-night hunting game that Casey makes three friends. And after his spectacular death, these friends gather the testimony needed to build an oral history of his short life. Their collected anecdotes explore the charges that his saliva infected hundreds and caused a silent, urban plague of rabies . . . Expect hilarity and horror, and blazing insight into the desperate and surreal contemporary human condition as only Chuck Palahniuk can deliver it. He's the postmillennial Jonathan Swift, the man to watch to learn what's — uh-oh — coming next. Excerpt from *RANT*: Wallace Boyer (Car Salesman): Like most people, I didn't meet and talk to Rant Casey until after he was dead. That's how it works for most celebrities, after they croak their circle of close friends just explodes. A dead celebrity can't walk down the street without meeting a million best buddies they never met in real life. Dying was the best career move Jeff Dahmer and John Wayne Gacy ever made. . . . The way Rant Casey used to say it: Folks build a

reputation by attacking you while you're alive — or praising you after you ain't.

Twenty one stories and one novella from Chuck Palahniuk, literature's favorite transgressive author, *Make Something Up* is a compilation that disturbs and delights in equal measure. In "Expedition," fans will be thrilled to find to see a side of Tyler Durden never seen before in a precursor story to *Fight Club*. And in other stories, the absurdity of both life and death are on full display; in "Zombies," the best and brightest of a high school prep school

become tragically addicted to the latest drug craze: electric shocks from cardiac defibrillators. In "Knock, Knock," a son hopes to tell one last off-color joke to a father in his final moments, while in "Tunnel of Love," a massage therapist runs the curious practice of providing 'relief' to dying clients. Funny, caustic, bizarre, poignant; these stories represent everything readers have come

The Invention of Sound Dark Horse Comics
New York Times Bestseller "An irreverent satirical fantasy about a sudden and violent upheaval.... Think Tom Robbins channeling Jonathan Swift." —David Takami, Seattle Times
Adjustment Day is an ingenious darkly comic work in which Chuck Palahniuk does what he does best: skewer the absurdities in our society. Geriatric politicians bring the nation to the brink of a third world war to control the burgeoning population of young males, while working-class men dream of burying the elites. Adjustment Day 's arrival makes real the logical conclusion of every separatist fantasy, alternative fact, and conspiracy theory lurking in the American psyche.

takes you through the streets, sewers, and local haunts of Portland, Oregon. According to Katherine Dunn, author of the cult classic *Geek Love*, Portland is the home of America's "fugitives and refugees." Get to know these folks, the "most cracked of the crackpots," as Palahniuk calls them, and come along with him on an adventure through the parts of Portland you might not otherwise believe actually exist. No other travel guide will give you this kind of access to "a little history, a little legend, and a lot of friendly, sincere, fascinating people who maybe should've kept their mouths shut." Here are strange personal museums, weird annual events, and ghost stories. Tour the tunnels under downtown Portland. Visit swingers' sex clubs, gay and straight. See Frances Gabe's famous 1940s Self-Cleaning House. Look into strange local customs like the I-Tit-a-Rod Race and the Santa Rampage. Learn how to talk like a local in a quick vocabulary lesson. Get to know, I mean really get to know, the animals at the Portland zoo. Oh, the list goes on and on.

This is not your mother's memoir. In *The Chronology of Water*, Lidia Yuknavitch, a lifelong swimmer and Olympic hopeful escapes her raging father and alcoholic and suicidal mother when she accepts a swimming scholarship which drug and alcohol addiction eventually cause her to lose. What follows is promiscuous sex with both men and women, some of them famous, and some of it S&M, and Lidia discovers the power of her sexuality to help her forget her pain. The forgetting doesn't last, though, and it is her hard-earned career as a writer and a teacher, and the love of her husband and son, that ultimately create the life she needs to survive.

Transgressive fiction authors write stories some are afraid to tell. Stories with taboo subjects, unique voices, shocking images—nothing safe or dry. *Burnt Tongues* is a collection of transgressive stories selected by a rigorous nomination

and vetting process and hand-selected by Chuck Palahniuk, author of *Fight Club*, as the best of The Cult workshop. These stories run the gamut from horrific and fantastic to humorous and touching, but each leaves a lasting impression. Some may say even a scar.

Madison Spencer, the liveliest and snarkiest dead girl in the universe, continues the afterlife adventure begun in Chuck Palahniuk's bestseller *Damned*. Just as that novel brought us a brilliant Hell that only he could imagine, *Doomed* is a dark and twisted apocalyptic vision from this provocative storyteller. The bestselling *Damned* chronicled Madison's journey across the unspeakable (and really gross) landscape of the afterlife to confront the Devil himself. But her story isn't over yet. In a series of electronic dispatches from the Great Beyond, *Doomed* describes the ultimate showdown between Good and Evil. After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory—or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she's invisible to everyone who's still alive. Not only do people look right through her, they walk right through her as well. The upside is that, no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents' luxurious apartment, where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather, Papadaddy. As she revisits the painful truth of what transpired over those months (including a disturbing and finally

fatal meeting in a rest stop ' s fetid men ' s
room, in which . . . well, never mind), her
saga of eternal damnation takes on a new
and sinister meaning. Satan has had
Madison in his sights from the very
beginning: through her and her narcissistic
celebrity parents, he plans to engineer an era
of eternal damnation. For everyone. Once
again, our unconventional but plucky
heroine must face her fears and gather her
wits for the battle of a lifetime. Dante
Alighieri, watch your back; Chuck
Palahniuk is gaining on you.
