AO Year 9 Science. We are so sorry, but a full version of the new science for AO year 9 isn't going to be ready for a debut when we had hoped. We have hit a few glitches. However, do not despair, we have some ideas for you! Note: this is very much a tentative plan in the testing phase and it could be changed. Option 1: **Year 9 Science sample assessment - On shaky ground (2012 QCAT)**

The QCATs were introduced in 2009 under the Queensland Curriculum, Assessment and Reporting Framework. They were annual standards-based assessments in English, Mathematics and Science that engaged students in Years 4, 6 and 9 in assessment tasks that value higher order thinking skills

[QCAT 2009 Year 9 Science Climate](#)

Change Queensland Common Assessment Tasks (QCATs) are designed by the Queensland Studies Authority (QSA) and are authentic, performance-based tasks that are administered annually. They are designed to provide evidence of what a student knows and can do in relation to aspects of the Essential Learnings.
