Qualitative Inquiry And Research Design

Summary : Qualitative inquiry is not merely a research method or a series of analytic steps, but a holistic process that challenges the age-old qualitative/quantitative dichotomy. This book provides students and researchers with an approachable guide to a range of interpretive perspectives, including thematic, narrative, and arts-based types of inquiry.

Qualitative Inquiry and Research Design: Choosing among ...

As a tool in research design, qualitative research studies things in their natural settings, while the researcher attempts to make sense of or interpret her observations in terms of the meaning people bring to them.
