Qualitative data instruments  
such as observation, open-  
ended questions, in-depth  
interview (audio or video),  
and field notes are used to  
collect data from participants  
in their natural settings. The  
methods employed in data  
collection give full  
description of the research  
with respect to the  
participants involved.

Qualitative Research Methods | SAGE Publications Ltd

Qualitative Health Research (QHR) is a peer-reviewed monthly journal that provides an international, interdisciplinary forum to enhance health care and further the development and understanding of qualitative research in health-care settings. QHR is an invaluable resource for researchers and academics, administrators and others in the health and social service professions, and graduates who seek examples of qualitative methods.

High-quality Qualitative Journals? - ResearchGate

Description. The mission of the journal Qualitative Psychology® is to provide a forum for innovative methodological, theoretical, and empirical work that advances qualitative inquiry in psychology. The Journal publishes articles that underscore the distinctive contributions that qualitative research can make to the advancement of psychological knowledge.

What is Qualitative Research? | Methods & Examples

Published on June 19, 2020 by Pritha Bhandari. Revised on July 30, 2020. Qualitative research involves collecting and analyzing non-numerical data (e.g., text, video, or audio) to understand concepts, opinions, or experiences. It can be used to gather in-depth insights into a problem or generate new ideas for research.

The Usefulness of Qualitative and Quantitative Approaches ...

Qualitative and quantitative methods may be used together for corroboration (hoping for similar outcomes from both methods), elaboration (using qualitative data to explain or interpret quantitative data, or to demonstrate how the quantitative findings apply in particular cases), complementarity (where the qualitative and quantitative results differ but generate complementary insights) or ...
