American Journal of Qualitative Research

The Qualitative Report, the oldest
multidisciplinary qualitative research
journal in the world, serves as a forum
and sounding board for researchers,
scholars, practitioners, and other
reflective-minded individuals who are
passionate about ideas, methods, and
analyses permeating qualitative, action,
collaborative, and critical study. These
pages are open to a variety of forms:
original, scholarly activity such as
qualitative research studies, critical
commentaries, editorials, or debates ...

Qualitative Research: SAGE
Journals

In an effort to promote the use of
qualitative research in M&E at my
organization, I am trying to compile
a list of well-respected, peer-
reviewed journals in social science
fields that highlight qualitative
methods, or journals which focus on
qualitative methods.

Recommendations on this point
would be extremely useful.

Qualitative Research in Psychology:
Vol 17, No 1

This is just a sampling of journals
across a number of health-related
disciplines that routinely publish
qualitative research. Many additional
health-related journals will publish
qualitative research and may offer

specific information for authors about how they handle qualitative studies (e.g., longer word/page limits).

Qualitative Journals

Qualitative research makes an important contribution to research in the medical sciences. It has a particular role in providing understanding with respect to decisions and behaviours of patients and professionals, in exploring factors affecting the implementation of new interventions, and in developing theory in fields such as illness behaviour, clinical decision making, illness prevention ...

Emerald | Qualitative Research Journal information

The journal Qualitative Sociology is dedicated to the qualitative interpretation

and analysis of social life. The journal offers both theoretical and analytical research, and publishes manuscripts based on research methods such as interviewing, participant observation, ethnography, historical analysis, content analysis and others which do not rely primarily on numerical data.

Qualitative Sociology - Springer

Journal of Ethnographic & Qualitative Research (JEQR) is a quarterly, peer-reviewed periodical, publishing scholarly articles that address topics relating directly to empirical qualitative research and conceptual articles addressing topics related to qualitative. The journal has been assigned ISSN #1935-3308.

High-quality Qualitative Journals? - ResearchGate

Qualitative Research Journals. There are a growing number of journals that publish qualitative studies in particular disciplines. One of the oldest of these is Qualitative Sociology, established in 1978. Since that time, journals have been founded that focus on research in education (International Journal of Qualitative Studies in Education,...

Qualitative Research Journals – QualPage

About this journal. Qualitative Inquiry (QI) provides an interdisciplinary forum for qualitative methodology and related issues in the human sciences. The journal publishes open-peer reviewed research articles that experiment with manuscript form and content, and focus on methodological issues raised by qualitative research rather than the content or results of the research.

Qualitative Health Research: SAGE Journals

The Qualitative Report Guide to Qualitative Research Journals is a unique resource for researchers, scholars, and students to explore the world of professional, scholarly, and academic journals publishing qualitative research.

Qualitative Inquiry: SAGE Journals

QHR is an invaluable resource for researchers and academics,

administrators and others in the health and social service professions, and graduates who seek examples of qualitative methods. This journal is a member of the Committee on Publication Ethics (COPE).

Publishing qualitative research in medical journals ...

Qualitative Psychology publishes studies that represent a wide variety of methodological approaches including narrative, discourse analysis, life history, phenomenology, ethnography, action research, and case study. The Journal is further concerned with discussions of teaching qualitative research and training of qualitative researchers.

The following list includes journals that focus on qualitative research as well as journals receptive to publishing qualitative research. The list, derived primarily from (a) Judith Preissle's List of Journals Friendly to Qualitative Work, posted to QUALRS-L on September 22, 1996; and (b) Linda Wark's Qualitative Research Journals,...
