Qualitative Research Journal | Emerald Insight  
Qualitative Methods in Psychology is published on behalf of the BPS Qualitative Methods in Psychology Section, and

---

welcomes submissions on any aspect of qualitative psychology. The editorial team are keen to encourage concise, focussed articles which may be somewhat shorter than would be found in other journals in the field. Qualitative Psychology - American Psychological Association Hennink, Hutter and Bailey provide a highly practical overview of all stages in the qualitative research process, linking clearly the cycles of design, data collection and data analysis. Excellent case studies illustrate qualitative research in practice.

*What is Qualitative Research? / Methods & Examples*

Qualitative research is expressed in words. It is used to understand concepts, thoughts or experiences. This type of research enables you to gather in-depth insights on topics that are not well understood.

The challenge for authors of qualitative articles is to use the journal's permitted word count (often 2500 in many medical journals) judiciously in writing the text — Introduction, Method, Results, and Discussion — and incorporating the narrative data as elegantly and as sparingly as possible while providing sufficient detail to support the analysis.
