The journal Qualitative Sociology is dedicated to the qualitative interpretation and analysis of social life. The journal offers both theoretical and analytical research, and publishes manuscripts based on research methods such as interviewing, participant observation, ethnography, historical analysis, content analysis and others which do not rely primarily on numerical data.

Publishing Qualitative Research - Qualitative Research ...

Qualitative research makes an important contribution to research in the medical sciences. It has a particular role in providing understanding with respect to decisions and behaviours of patients and professionals, in exploring factors affecting

the implementation of new interventions, and in developing theory in fields such as illness behaviour, clinical decision making, illness prevention ...

Qualitative Inquiry: SAGE Journals

In an effort to promote the use of qualitative research in M&E at my organization, I am trying to compile a list of well-respected, peer-reviewed journals in social science fields that highlight qualitative methods, or journals which focus on qualitative methods.

Recommendations on this point would be extremely useful.

Journal of Ethnographic & Qualitative Research

About this journal. Qualitative Inquiry (QI) provides an interdisciplinary forum for qualitative methodology and related issues in the human sciences. The journal publishes open-peer reviewed research articles that experiment with manuscript form and content, and focus on methodological issues raised by qualitative research rather than the content or results of the research.
