Quality Matters | Center for Educational Innovation

The Quality Matters (QM) Program provides a set of research-based standards that can guide the redesign of a course and can be used as a rubric to evaluate a course. This paper shows the transition of one course as it was redesigned based on the QM standards.

[Home | Quality Matters](#)

The Rubric is also used to assess the level to which a course meets Standards and highlight areas for improvement. A score of 85% (with Essential Standards being met) qualifies a course to receive a QM Certification for quality course design\*. QM Members using this Rubric include:

Individual Faculty and Instructional Designers

The Applying the Quality Matters Rubric (APPQMR) is the introductory workshop for the QM rubric and how to apply it to review course design. The Improving Your Online Course (IYOC) provides instructors who are currently teaching online a framework to review their course and create an improvement plan.

The Instructor ' s Guide to Course Development & Facilitation

The Quality Matters Rubric contains the standards, sub-standards, scoring system and annotations that are to be used when providing feedback. The process of having a course reviewed by Quality Matters is not to determine an instructor ' s competency, but rather how the course has been designed from a student ' s perspective.
