A gloriously entertaining novel of heists, shakedowns and rip-offs set in Harlem in the 1960s, from two-time Pulitzer Prize-winning author Colson Whitehead. To his customers and neighbours on 125th street, Ray Carney is an upstanding salesman of reasonably priced furniture, making a life for himself and his family. He and his wife Elizabeth are expecting their second child, and if her parents on Striver's Row don't approve of him or their cramped

apartment across from the subway tracks, it's still home. Cash is tight, so if his cousin Freddie occasionally drops off the odd ring or necklace at the furniture store, Ray doesn't see the need to ask where it comes from. He knows a discreet jeweller downtown who also doesn't ask questions. Then Freddie falls in with a crew who plans to rob the Hotel Theresa—the "Waldorf of Harlem"—and volunteers Ray's services as the fence. The heist doesn't go as planned; they rarely do, after all. Now Ray has to cater to a new clientele, one made up of shady cops on the take, vicious minions of the local crime lord and numerous other Harlem lowlifes. As Ray navigates his double life, he starts to see the truth about who actually pulls the strings in Harlem. Can Ray avoid getting killed, save his

cousin and grab his share of the big score, all while maintaining his reputation as the go-to source for all your quality home furniture needs?

The phenomenal New York Times bestseller that "explores the upstairs-downstairs goings-on of a posh Parisian apartment building" (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short,

she's everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her

---

extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and "teaches philosophical lessons

by shrewdly exposing rich secret lives hidden beneath conventional exteriors" (Kirkus Reviews). "The narrators' kinetic minds and engaging voices (in Alison Anderson's fluent translation) propel us ahead." —The New York Times Book Review "Barbery's sly wit . . . bestows lightness on the most ponderous cogitations." —The New Yorker

**#1 NEW YORK TIMES BESTSELLER** Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. “ Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives. ” —Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry

A mind-expanding, cheerfully dystopian new novel by Yoko Tawada, winner of the National Book Award Welcome to the not-too-distant future: Japan, having vanished from the face of the earth, is now remembered as "the land of sushi." Hiruko, its former citizen and a climate refugee herself, has a job teaching immigrant children in Denmark with her invented language Panska (Pan-Scandinavian): "homemade language. no

---

country to stay in. three countries I experienced. insufficient space in brain. so made new language. homemade language. ” As she searches for anyone who can still speak her mother tongue, Hiruko soon makes new friends. Her troupe travels to France, encountering an umami cooking competition; a dead whale; an ultra-nationalist named Breivik; unrequited love; Kakuzo robots; red herrings; uranium; an Andalusian matador. Episodic and mesmerizing scenes flash vividly along, and soon they ’ re all next off to Stockholm. With its intrepid band of companions, *Scattered All Over the Earth* (the first novel of a trilogy) may bring to mind Alice ’ s *Adventures in Wonderland* or a surreal *Wind in the Willows*, but really is just another sui generis Yoko Tawada masterwork.

Indestructibles: Baby, See the Colors! Open Road Media

In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner—and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all—not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come

---

back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price—including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and

murder—from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final showdown that could cost her everything. A race against time and evil. A race in which Estes is the dark horse—and no one is betting on her to win.
