*Quatrain* is a collection of four novellas, each set in a different world that Shinn's novels have been set in. I had read the novels set in all those worlds before, but some of them I'd read SO long ago that I couldn't remember them in any detail.

Sharon Shinn is one of my favorite contemporary authors because her

stories are compelling, her main characters feel like people you know or want to know, and the worlds she creates seem real. In *Quatrain*, Shinn tells four stories set in four separate worlds. The first--"Flight"--fits into her *Samaria* series--just before Gabriel becomes Archangel.
