research in
laboratory
phonology.
Laboratory
phonology
denotes a research
perspective, not a
specific theory: it
represents a broad
community of
scholars dedicated
to bringing
interdisciplinary
experimental
approaches and
methods to bear
on how spoken
language is
structured, learned
and used; it draws

on a wide range of
tools and concepts
from cognitive and
natural sciences.
This book
describes the
investigative appro
aches,disciplinary
perspectives, and
methods deployed
in laboratory
phonology, and
highlights the most
promising areas of
current
research.Part one
introduces the
history, nature, and
aims of laboratory
phonology. The
remaining four
parts cover central
issues in research
done within this
perspective, as
well as
methodological
resources used for

investigating these
issues.
Contributions to
this volume
address how
laboratory

Gillengaria

seethes with
unrest. In the
south, hostility
toward magic
and its users
has risen to a
dangerous
level, though
King Baryn has
ordered that
such mystics
are to be
tolerated. It is
whispered that
he issued the
decree because
his new wife

The King
knows there
are those in the
noble Twelve
Houses who
could use this
growing dissent
to overthrow

him. So he dispatches the mystic Senneth to assess the threat throughout the realm. Accompanying her is a motley band of magic-users and warriors including Tayse, first among the King ' s Riders—who holds a hard view of mystics in general, and Senneth in particular. But as the unlikely allies venture farther into the south, they will face death in a land under the

sway of a fanatical cult that would purge Gillengaria of all magic users. And they will come to realize that their only hope of survival lies in standing together... Summers at Castle Auburn Penguin On a planet of barren beauty, two religions—as different as sun and shadow, joy and grief—are bound together by death.... A serial killer is stalking the

priestesses of both sects—and Interfed Agent Cowen Drake must immerse himself in an unfamiliar world of stark spirituality to catch the killer. A world that will trap him between opulence and sacrifice, between desire and duty, and between two extraordinary women—one who could become the killer ' s ultimate victim.
