"...all that I am, all my weakness, it is my crucible, my fire, my inferno, by which I am burned alive in glory." - excerpt from the poem 'Bone Forge' (pg 24). In this collection of poetry, the author explores the concepts of death, transcendence and transformation. He plumbs the depths of the human soul, laying bare his many faults and failings, exposing his weaknesses with painful honesty, and seeking as ever to illustrate an important chapter in the story of the human experience. Forty-two of his most powerful and evocative works are collected here, brought to readers for the first time in a beautiful volume with cover

illustration provided by the talented fantasy artist Ryan Wardlow.

In our circus we are like family members, and you don't leave family behind. At least that's what I thought, but deep within the cellars I had discovered a long forgotten family member. One with so much hate for the circus his killing intent was like none other. It was life or death to us, but it

was a game to him. (The cover is meant to represent the two conflicting emotions/sides within the story and isn't supposed to be taken seriously. It reminds you to keep an open mind as you read this book.)

After the collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she meets the hypnotically charming and strangely intense Murosky Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is

lurking just off the coast. It's been there, waiting for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning away from her destiny, if she can survive. Young Adult Paranormal

*Includes pictures *Includes Mary's own quotes about her life *Includes online resources and a bibliography for further reading *Includes a table of contents "Did I not tell you this would happen? I knew they would never allow me to live, I was too great an obstacle to their religion." - Mary, Queen of Scots The position in history of Mary Queen of Scots is a paradoxical one. Her fame as a monarch lies less in her personality or achievements than in her position within the dynastic maneuvers and political-religious upheavals taking place in northwest Europe in the 16th century. Most monarchs spend their early years learning in preparation to rule and then spend the latter part of their lives wielding power and status, but Mary was thrust upon the throne when she was only a week old, and she ceased to be queen nearly 20 years before her death. Mary's was an unusual reign in a tumultuous period, and her tragedy was intertwined with her country's transformation. In Mary's case, she was a second cousin once removed of England's Queen Elizabeth I, which made her a rival for the throne. Mary was the granddaughter of Margaret Tudor, Henry VIII's sister, and her Catholicism made Mary the true and rightful Queen of England in the eyes of many Catholics and the Vatican. These facts, coupled with the realization that several English Catholics (especially rebels active in the Rising of the North movement) supported Mary, ardently made Elizabeth I uneasy. Mary also did not help herself when she married James Hepburn, 4th Earl of Bothwell, who was widely accused of raping her. The Scottish people rebelled, and Mary

abdicated and fled southwards towards England. Elizabeth I was unsure at first what to do with Mary, so she kept Mary imprisoned in several castles and manor houses inside England (making escape difficult and thus unlikely). After 18 years and 9 months in Elizabeth's custody, it became clear that the situation was becoming untenable mainly due to Catholic efforts on the continent and within England to have Elizabeth I assassinated and to raise Mary Stuart to England's throne after marrying her to the recusant Catholic Thomas Howard, Duke of Norfolk. By some accounts, Elizabeth's spymaster and principal secretary Francis Walsingham, either trapped Mary or fabricated evidence on high treason charges associated with the plot initiated by Anthony Babington. In 1587, Mary was executed for her involvement in conspiracies to assassinate Elizabeth. Elizabeth is said to have had deep misgivings about executing a fellow sovereign and thereby setting a pernicious precedent. Nor could Elizabeth forget that her own mother, Anne Boleyn (though only a queen consort), had also been executed. Though she had put Mary to death, Elizabeth's unmarried and childless status left no Tudor to follow her. Thus, she was succeeded by her Mary's son James, whose reign united the two kingdoms of England and Scotland. All British monarchs have since descended from James. Mary, Queen of Scots: The History and Legacy of Mary Stuart of Scotland chronicles the tumultuous life of Mary and her role in history. Along with pictures of important people, places, and events, you will learn about Mary Stuart like never before, in no time at all.

Military Recruiting in the United States provides a fearless and penetrating description of the deceptive practices of the U.S. military as it recruits American youth into the armed forces. Long-time antiwar activist Pat Elder exposes the underworld of American military recruiting in this explosive and consequential book. The book describes how recruiters manage to convince youth to enlist. It details a sophisticated psy-ops campaign directed at children. Elder describes how the military encourages first-person shooter games and places firearms into the hands of thousands using the schools, its JROTC programs, and the Civilian Marksmanship Program to inculcate youth with a reverence for guns. Previously unpublished investigative work reveals how indoor shooting ranges in schools are threatening the health of children and school staff through exposure to lead particulate matter. The book provides a kind of "what's coming next manual" for European peacemakers as they also confront a rising tide of militarism. The book examines the disturbing, nurturing role of the Catholic

Church in recruiting youth. It surveys the wholesale military censorship of Hollywood films, pervasive military testing in the high schools, and an explosion of military programs directed toward youth. For more information, visit: www.counter-recruit.org

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.
