Now Guinevere thought she knew what that shadow was: she was barren. She accepted that -- just as she accepted that Arthur must have an heir And the only true heir of his body was Mordred -- offspring of a cursed encounter with Arthur's own sister, the witch Morgause. Guinevere couldn't give Arthur her own child, so she would give him his own son: Mordred. She would raise the boy, teach him to be a king. He would be like Arthur -- wise, coolheaded. With the French threatening battle and the Catholics sowing the seeds of rebellion at home, William trusts only three people: his older sister Elizabeth; his best friend and loyal counselor, Dominic; and Minuette, a young orphan raised as a royal ward by William's mother, Anne Boleyn. Against a tide of secrets, betrayal, and murder, William finds himself fighting for the very soul of his kingdom. Then, when he and Dominic both fall in love with Minuette, romantic obsession looms over a new generation of Tudors. Camelot--a vibrant pageant of love, heartbreak, hatred, jealousy, revenge, and desire--as seen through the eyes of its queen, Guenevere Raised in the tranquil beauty of the Summer Country, Princess Guenevere has led a charmed and contented life, until the sudden, violent death of her mother, Queen Maire, leaves the Summer Country teetering on the brink of anarchy. Only the miraculous arrival of Arthur, heir to the Pendragon dynasty, allows Guenevere to claim her mother's throne. Smitten by the bold, sensuous princess, Arthur offers to marry her and unite their territory while still allowing her to rule in her own right. Their love match creates the largest and most powerful kingdom in the Isles. Arthur's glorious rule begins to crumble, however, when he is reunited with his mother and his long-lost half-sisters, Morgause and Morgan. Before Arthur's birth, his father--the savage and unscrupulous King Uther--banished his wife's young daughters, selling Morgause into a cruel marriage and imprisoning Morgan in a far-off convent. Both daughters will avenge their suffering, but it is Morgan who strikes the deadliest blows against the King and Queen, using her evil enchantments to destroy all Guenevere holds dear. When the Queen flees to Avalon, Morgan casts a spell on Arthur and seduces him. In the chaos that follows his betrayal, Arthur sends a new courtier to protect Guenevere, the young French knight Lancelot. Her loyalty to Arthur already destroyed, Guenevere falls in love with Lancelot, a love that may spell ruin for Camelot.

Marion Zimmer Bradley's Sword of Avalon Bluefire

Somebody once quipped that any work of Australian historical fiction is a 'burning fuse', travelling over decades through Australian culture and society. In some manner, every newly published Australian historical novel is connected to what it has preceded. Each work belongs to a proud history. Through multiple examples, Grant Rodwell encourages readers to see how a work of historical fiction has evolved. Thus, under various themes, WHOSE HISTORY? examines the traditions in Australian historical fiction, and ponders how Australian historical novels can engage teachers and student teachers. WHOSE HISTORY? aims to illustrate how historical novels and their related genres may be used as an engaging teacher/learning strategy for student teachers in pre-service teacher education courses. It does not argue all teaching of History curriculum in pre-service units should be based on the use of historical novels as a stimulus, nor does it argue for a particular percentage of the use of historical novels in such courses. It simply seeks to argue the case for this particular approach, leaving the extent of the use of historical novels used in History curriculum units to the professional expertise of the lecturers responsible for the units.
