[Knowing Christianity](#) InterVarsity Press

A moving and challenging exploration of the teachings and beliefs of the Puritans, this book calls today's Christians to move from spiritual superficiality and follow the Puritans' example of spiritual maturity.

Never Beyond Hope Lulu.com

The Death of Death in the Death of Christ is John Owen's definitive work on the extent of the atonement. It is a polemical work, designed to show among other things that the doctrine of universal redemption is unscriptural and destructive of the gospel. It was called forth by the progress in England of Arminianism and the half-way house of Amyraldianism adopted by Baxter, Davenant and Usher.

An Introduction to John Owen Baker Books

Over 3 centuries since his passing, Puritan John Owen continues to impact readers through his writings. With over 8 million words published in 80 titles, his topics were as diverse as they were many, ranging from theological works to sociopolitical topics such as the proper nurture and education of children. An Introduction to John Owen by Crawford Gribben is a theological survey of these works, inviting readers to experience anew the grace of God as they go through the Christian life. For Owen, spiritual life was about increasing in grace and goodness, in fellowship with each member of the Trinity. This exploration captures the vision of the Christian life that Owen wished for his readers to have and distills it into an accessible companion volume.

When so many crave the latest self-improvement plan or the most recent religious experience, J. I. Packer turns our attention to realities far larger and longer-lasting than anything our self-absorbed society can offer. In this book he lays out before us his grandest panorama yet of the magnificent landscape we call the Christian faith. He begins with the only proper foundation for spiritual experience--the central doctrines of God, the Bible, Christ and the Holy Spirit. From here he leads us to the principal elements of the Christian life--growth in Christ, prayer to our Father, worship of our God, fellowship with other believers and our responsibilities as citizens. His sweeping survey of this spiritual terrain concludes appropriately with a consideration of the ultimate end of our existence here on earth--the reality of an afterlife, God's judgment and our reign with the ascended Christ. While spiritual fads fade from the scene as quickly as they arise, here is the lasting, unchanging truth of the God who has been our help in ages past and will be our hope for years to come.

J. I. Packer and Carolyn Nystrom show how prayer is an essential, expected practice as a follower of Christ, but also a privilege and joy. With wisdom, humility and sincerity the authors lead us through different moods of praying, including brooding, praising, asking, complaining and hanging on. Their personal stories offer hope and encouragement to those who pray.

Praying Crossway

In this collection of articles written over forty years, Packer sets out his beliefs about the authority of Scripture and the principles that should be applied when interpreting it. Important topics such as the adequacy of human language, upholding the unity of Scripture, and challenges in Biblical interpretation are considered in the first two sections: "Gods Inerrant Word" and "Interpreting the Word." In the final section, "Preaching the Word," Packer turns his attention to pastoral leaders and the importance of correct and responsible expository preaching.

John Newton is best known as the slave trader turned hymn writer who penned the most popular English hymn in history: "Amazing Grace." However, many Christians are less familiar with the decades he spent in relative obscurity, laboring as a "spiritual doctor" while pastoring small parishes in England. In the latest addition to Crossway's growing Theologians on the Christian Life series, Tony Reinke introduces modern readers to Newton's pastoral wisdom by leading them through the many sermons, hymns, and—most importantly—letters that he wrote over the course of his life. Considered by many to be one of the greatest letter writers of all time, Newton has valuable insights to offer modern Christians, especially when it comes to fusing together sound doctrine, lived experience, and godly practice. Part of the Theologians on the Christian Life series.

[J. I. Packer](#) InterVarsity Press

Combining three classic articles by J. I. Packer with a recent article by Mark Dever, this penetrating anthology takes a classically biblical stance on the increasingly controversial doctrine of substitutionary atonement.

Finding God's Will Regent College Pub

For all those who have ever felt useless to God, J. I. Packer and Carolyn Nystrom offer this encouraging look at characters from Scripture who all failed, but who God used for his glory.

Includes study questions, prayer suggestions and journaling ideas.

Knowing God Through the Year Tyndale House Publishers, Inc.

Praying is a problem for many people. Christians often go through the motions of prayer because it is expected of them, but they are often left wondering, "Did God hear me? Does he even care?" In his book Praying the Lord's Prayer, an excerpt from Growing in Christ, J. I. Packer presents a powerful truth: prayer is a natural activity between the Heavenly Father and his children. As Packer works through each phrase of Christ's pattern of prayer, readers will begin to grasp the basic principles and guidelines of prayer. As readers apply the truths of this book to their prayer lives, they will experience intimate communication with God and will strengthen their own conversations with their Father in heaven.

Taking God Seriously Ivp Books

Growing in Christ explains just that—how to grow in Christ. As this book shows, we mature spiritually by carefully learning and thoughtfully living the essentials of the Christian faith that are too often taken for granted or overlooked in our daily lives. These essentials—so beautifully summarized in the Apostle's Creed, the Lord's Prayer, and the Ten Commandments—provide the heart of the book, which Dr. Packer explores and applies to daily life in a clear and refreshing way. Study questions and Bible passages follow each chapter for further individual or group study. Speaking to Christians of all backgrounds and denominations, the newly converted as well as the lifelong believer, Dr. Packer reminds us that Christianity is not instinctive. Ours is a faith that must be learned, and we must never stop striving to mature.

Pointing to the Pasturelands Crossway Books

In this classic book, John Stott shows that Christian mission must encompass both evangelism and social action. He offers careful definitions of five key terms- mission, evangelism, dialogue, salvation and conversion. Through a thorough biblical exploration of these concepts, Stott provides a model for ministry to people's spiritual and physical needs alike. Ultimately, Stott points to the example of Jesus, who modeled both the Great Commission of proclamation and the Great Commandment of love and service. This balanced, holistic approach to mission points the way forward for the work of the church in the world. Market/Audience Church Leaders Pastors Students Those interested in Evangelism Endorsements 'A short but exceedingly powerful book. Packer shows that rather than precluding evangelism, God's sovereignty provides the most powerful incentive and support for it . . . Contains impressive depth and contains a thorough and satisfying treatment of the subject.' - DiscerningReader.com 'I've often recommended this book to faithful Christians who are confused about how they are to think about prayer, missions, giving-any area in which our efforts could be wrongly pitted against God's own necessary action. Packer introduces us to clear truths, handles Scripture with exemplary care, and supplies us with just the right amount of illustrations and application.' - From the foreword by Mark Dever, senior pastor, Capitol Hill Baptist Church, Washington, D.C. Features and Benefits New mass market edition of a classic InterVarsity Press work on divine sovereignty and human responsibility Challenges extreme views on both sides of the issue Outlines a proper incentive and support for evangelism Over 100,000 copies in print Abiding in Christ IVP Books

Most people think of weakness as purely negative, but true Christianity embraces weakness as a way of life. In this collection of meditations on 2 Corinthians, renowned Bible scholar and theologian J. I. Packer reflects on the central importance of weakness for the Christian life. He exhorts readers to look to Christ for strength, affirmation, and contentment in the midst of their own sin and frailty. Now in his mid-eighties, Packer mediates on the truths of Scripture with pastoral warmth and exegetical care, drawing on lessons learned from the experience of growing older and coming face-to-face with his own mortality. Overflowing with wisdom gleaned from a life of obedience to Christ and dependence on his Word, this encouraging book ultimately directs readers to the God who promises to be ever-present and all-sufficient.

Puritan Portraits Crossway

J. I. Packer, author of the bestselling Christian classic, Knowing God, leads you through twelve session LifeGuide® Bible Study key passages from the Old and New Testaments to enlarge your vision of the God you worship and serve. Newton on the Christian Life Crossway

Catechesis is an ancient practice of Christian disciple making that uses a simple question-and-answer format to instruct new believers and church members in the core beliefs of Christianity. To Be a Christian, by J. I. Packer and a team of other Anglican leaders, was written to renew this oft-forgotten tradition for today's Christians. With over 360 questions and answers, plus Scripture references to support each teaching, this catechism covers the full range of Christian doctrine and life, drawing from the Apostles' Creed, the Lord's Prayer, the Ten Commandments, and other important doctrinal summaries. Clear, concise, and conversational, this resource was written for all believers who seek to be grounded more deeply in the truth of God's Word.

Engaging the Written Word of God InterVarsity Press

In twenty-first century America, at a time when the family structure is crumbling, divorce rates are at an all-time high, and respect for parents is diminishing, The Godly Home serves as a balm for those seeking God's plan for the family. With an introduction by J. I. Packer, this book includes topics for those passionate about families or those teaching on the characteristics of a godly family. Richard Baxter covers topics such as marriage, children, and family worship methodically and comprehensively through both hypothetical and real-life questions and concerns that arise in family dynamics. He uses arguments, objections, and frequent Scripture to help husbands, wives, and children to live godly lives. More than three centuries ago, Puritan church leader Baxter compiled a 1,143-page tome entitled Christian Directory, which included a section on family life. The Godly Home is the only stand-alone version of that section of Christian Directory. Editor Randall Pederson has updated the language and syntax to make this seventeenth-century collection of words one that will continue on for generations to come.

Keeping the Ten Commandments InterVarsity Press

Theology matters! At last it can be understood easily, thanks to this "layman's language" approach to biblical belief. Authored by J. I. Packer, one of the premier theologians of Christianity, this summary of Christian teaching covers nearly 100 major Christian beliefs from a Reformed perspective. Brief, easy-to-understand chapters offer precise descriptions without sacrificing depth. Thoughtfully arranged and refreshingly readable, this is a book that belongs on the shelf of every Christian.
