UPSC Power Bank:1000+ MCQs for UPSC and State PSCs and exams Modern History (For Latest Edition) Oswaal Books Castles in the Air is an attempt to open discussions on some often overlooked issues which affect education, particularly in rural and township government schools. In order to make it a truly South African drama, I have drawn from oral tradition by including songs and poems which play an integral part in traditional storytelling. There are many folksongs which were included in earlier versions, but I decided to remove them in the final version because I did not intend to write a musical. There are also some praise poems that I composed for the main character and his father. I studied oral tradition, and I am confident that the praise poems I composed have all the qualities of the real praise poems, and because I could not compose them in English, I, therefore, wrote them in isiZulu with translations in the glossary at the end.
