General Intelligence and Test of

Reasoning owes its existence to comprehensive research and strategic planning. A thorough coverage of the reasoning section of various competitive examinations has been achieved after an in-depth research and proper analysis of original papers of the UPSC, SSC, banking services, B-school tests and tests by other central and state-level recruitment bodies. A unique aspect of this book is the approach it adopts in explaining the concepts of verbal analysis, non-verbal analysis, critical reasoning and data interpretation. Each chapter starts with a brief introduction to

the various formats of questions asked in competitive examinations, followed by topic-specific tests, which provide numerous multiple-choice questions that involve students in an interactive way to improve their accuracy level. The last chapter provides scientifically structured and exam-oriented test papers to familiarize candidates with current trends and types of questions. These test papers and self-scoring tables will help students assess their own level of preparation.
