You'll be guided through the process from beginning to end with practical and relevant legal information so you can make the best decisions for you and your

family. Create a customized estate plan with a Will, Health Care Directive, and other essential documents Documents reflect the laws of your state* Easy interview format lets you complete documents at your own pace User-friendly legal manual answers common questions Quicken WillMaker Plus 2015 is the original will-writing software, written and updated regularly by Nolo's expert attorneys.

Free legal updates will keep your program current through 2014. Technical support is also available. Plus, get a free living trust! Spare your family from the hassle and expense of probate court as they carry out your wishes. Quicken WillMaker Plus 2015 gives you free access to Nolo's Online Living Trust. Here's a deeper look at what you can do with Quicken WillMaker Plus 2015: Your Will

The heart of every estate plan is a will, also known as a last will and testament. This legal document puts you in control of who inherits your property and who would assume guardianship of your children if it were ever necessary. Without a will, state law will determine these issues. Your will allows you to name an executor ("personal representative") whose job it is to see that your wishes are carried out. And you can appoint a trusted person to manage property left to young people. With Quicken WillMaker Plus 2015, you can revise and update your will whenever you like. Your Health Care Directive Spares your loved ones difficult decisions by laying out your wishes for medical care and naming someone to carry those wishes. Health Care Power of Attorney Permit a loved one to make important medical decisions for you if necessary. Living Will Specify whether you want your life prolonged through

artificial means in certain circumstances and set out your wishes about specific medical treatments and procedures. Your Final Arrangements Plan a funeral or other ceremony and ease the burden on your loved ones. Describe your preferences for burial, cremation, memorials, obituaries, and more, and select someone to oversee your final arrangements. Letter to Survivors Use this letter to leave a final message to your loved ones. You can	explain the gifts you left in your will, leave advice, divulge secrets, suggest ways of spitting shared gifts, or any other thoughts you'd like to leave behind. Documents for Your Executor Make sure your executor has all the forms and instructions necessary to do the job: checklists, letters, notices, claim forms and more. Information for Caregivers and Survivors Organize your estate so that your survivors don't have to. Use these documents to	give them information about everything from bank accounts to the names of people you'd like contacted in the event of your illness or death. Personal Finance Documents Over a dozen forms let you handle common financial situations, such as lending money to friends or family, creating a bill of sale, and closing a credit card account. Home & Family Documents Practical forms you can use every day to help run your home
