Scott's dispatches begin with his initial job as a library page, follow his experiences in library school, and end with the rebuilding of the first library where he worked and where he returns as a

librarian.

Quiet, Please: Dispatches from a Public Librarian by Scott ...

Quiet, Please: Dispatches from a Public Librarian is an okay read. I enjoyed the humorous tales of people in the library but found that a number of them were quite negative. The tales of working in a library itself were interesting as well as the path the author took to get there. I read and reviewed this book with no obligation.

Quiet Please Dispatches From A
Gotham Humor teacher Scott LaCounte just saw the release of Quiet, Please, his memoir about life as a librarian. (To protect not the innocent but himself, the book is published under the name Scott Douglas.) If all this sounds just a bit familiar, you may have stumbled on Scott's "Dispatches from a Public Librarian"

column, which appeared regularly on McSweeney's Internet Tendency.
