Mastering The Law of Attraction is about exactly how to make manifesting your dreams a reality! In this book I also share a few stories about what I've manifested so far using the Law of Attraction to find my perfect partner, create millions in investments and cash, succeed in several businesses, become a best selling author, and even world-changing success. I share exactly what I did and what I thought and give you a structured way to apply the same thinking to deliver you results. Because the Law of Attraction is a law, it means it has rules. Play by the rules and you get what you desire. Fail to play by them and you'll be left thinking the Law of Attraction doesn't work. But when you apply some simple structured thinking then the Law becomes easy to apply and will work for you as soon as you begin applying the simple process you'll discover in this book. Inside you'll also learn: How to master the law of attraction... How to believe in your own limitless potential... How to change your results today... How to change the way you think so that your life automatically changes... How to stop thinking about what you don't want and get what you do want... How to use the law of attraction to create riches... How to feel good where you are now, because you know you'll get where you want to go... Or somewhere better... And... A WHOLE LOT MORE! If you've studied the Law of Attraction before, or if this is the very first time you've looked into it, then you are going to discover the exact process to creating your dreams. I know it sounds like a big promise, but when you read it today you will see how easy it is for me to make that promise to you.

Kamu mendapat reaksi kurang menyenangkan saat menetapkan dan menerapkan batasan? Jangan goyah dengan batasanmu! Bukan tugas kita untuk menyenangkan orang lain, tugas kita adalah menyenangkan diri sendiri. Merasa bersalah itu manusiawi, tetapi jangan berlarut dalam rasa bersalah karena sejatinya kita tidak bersalah. Kita menerapkan batasan supaya hidup menjadi lebih tenang. Pantaskah seorang anak menetapkan batasan kepada orangtuanya? Apakah kita bukan pasangan yang setia ketika menerapkan batasan kepada suami atau istri? Semua jawabannya ada di buku ini.

"Al-Ateeqi's book is refreshingly original" - Kirkus Review
The connection-or separation-of mind and body has long been a contentious subject of study by scientists, psychologists, and philosophers. In *The Law of Attraction and Islam*, Al-Ateeqi examines the law of attraction and the role of external forces in shaping one's behavior. He points out the psychological mechanisms by which the media, for example, has been trying to influence our thinking, in the process giving us the same means by which to wrestle back control of our own minds and, ultimately, of our lives. He provides a way to affect positive change in our lives with minimal physical and mental strain. This is done meaningfully in a short span of time by not only changing the way we think, but actually using the very

words we use to describe ourselves and everything around us to help shape our lives. Being a Muslim, Abdulaziz sees uncanny resemblance between the law of attraction and some teachings of Islam, prompting him to add Quranic and Hadith sections to the book for those who seek them.

In this book, *Law of Attraction: Secrets for Successfully Attracting and Manifesting Abundance in Your Life Using the Law of Attraction*, you will get to learn the guiding principle within the law of attraction, far from the literal sense of physical attractiveness. You will learn that contrary to popular belief, happiness and prosperity are not determined by your pre-disposition, and they also do not result from sheer good luck. Instead, they are results of your conscious effort to open yourself to riches, to love, to joy, and to all the positive things that make life easy and enjoyable. This book provides techniques that will help you prepare for greatness. It even breaks down the big picture into short exercises that you can do on a daily basis, just to ensure that you are on track with your goals, and that you are duly opening up for success. By the time you have completed the book, you will be pleasantly surprised to realize that you have been capable all along of acquiring great wealth, being successful in your career, rising in social status, and being happy! All you needed were the tips provided in this book, so that you can stop to inadvertently sabotage your own chances of success and instead attract positive things in life. In *This Book You'll Discover... - What is Law Of Attraction and how to use it correctly - Manifesting and creating the life you want using Law Of Attraction techniques and secrets - How to implement short "daily exercises" into your busy life without feeling overwhelmed - What signs to look for to recognise that the Law Of Attraction is working in your life - How to get into the "high vibrational" levels to start attracting the life you want today - And much more...*

Tidak sulit bagi Allah Swt. untuk mengubah nasib hamba-Nya, misalnya orang kaya menjadi miskin, orang sehat menjadi sakit, atau orang susah menjadi senang. Begitu pula, apabila Allah Swt. berkehendak mengangkat derajat seseorang, maka tidak ada satu makhluk pun yang dapat menghalangi-Nya. Miskin dan kaya, sakit dan sehat, susah dan senang adalah cobaan dari Allah Swt. Sepelik dan seberat apa pun cobaan tersebut, selalu ada jalan keluar yang menyertainya. Sebab, Allah tidak mungkin memberikan cobaan yang tak sanggup dipikul oleh hamba-Nya. Selama si hamba terus mendekat dan berserah diri, maka Allah akan senantiasa membantunya. Inilah yang dialami si tukang bengkel dalam buku ini. Berkat semangatnya mengejar

cita-cita, kesungguhannya mendekatkan diri kepada Allah, juga keistiqamahannya membaca al-Qur'an, Allah Swt. pun berkenan memberinya jalan kemudahan untuk mewujudkan cita-citanya itu; menunaikan ibadah haji ke Baitullah. In recent years, crowdfunding has become important and it has been enthusiastically used not only by commercial organizations but also by the public sector. This alternative source of financing in times of constrained government budgets enables citizens to vote with their dollars online to bring ideas into reality. This book sheds light on the developing concept of crowdfunding in the public sector, with an overview of current academic discussions and best practices on crowdfunding in the public sector. The volume approaches crowdfunding in the public sector from an integrated perspective, addressing the dearth of publications on the subject. The book gathers a wealth of theoretical information, ideas, best practices and lessons learned in the context of executing concrete crowdfunding projects, and assess methodological approaches to integrating the topic of crowdfunding in public organizations curricula. The book provides definitions, insights and examples of this managerial perspective resulting in a theoretical framework of crowdfunding in the public sector. The contributors also explore different crowdfunding applications in public sectors such as local government, higher education, schools, arts & culture organizations, healthcare, energy sector, and police services, which are presented in several case studies. This is a unique book in the field that points the way forward both for policymakers and for the research community in terms of thinking about crowdfunding in the public sector and the complex issues surrounding its development.

Buku ini ingin mengajak kita untuk menjadikan Al-Qur'an sebagai pijakan dalam menjalani hidup. Persoalannya adalah bahasa dan tata bahasa yang digunakan Al-Qur'an berbeda dengan bahasa dan tata bahasa yang biasa kita gunakan. Bagaimana Al-Qur'an bisa menjadi pijakan, kalau kita tidak memahami bahasa dan tata bahasanya. Lewat bahasa yang sederhana dan mudah dipahami, buku ini memberikan kaidah-kaidah bagi kita agar mampu memahami Al-Qur'an. Di antara kaidah-kaidah tersebut adalah: Pelajaran diambil berdasarkan keumuman kata, bukan kekhususan sebab. Apabila ada nakirah (indefinite article) berhubungan dengan kalimat negatif, maka itu menunjukkan makna umum. Jika ada ayat Al-Qur'an yang tampaknya bertentangan satu sama lainnya, masing-masing disesuaikan dengan konteksnya. Menghilangkan jawaban syarat, menunjukkan pentingnya sebuah masalah atau resiko yang besar. Jika ada Asmaul Husna di akhir ayat, menunjukkan adanya keterkaitan antara makna ayat dengan Asmaul Husna tersebut. Bacalah Al-Quran dengan kaidah-kaidah yang benar, sehingga kita mampu memetik lautan hikmah dan ilmu yang ada di dalamnya. Dengan demikian, Al-Qur'an benar-benar diturunkan untuk kita.
