For more than two decades, international best-selling authors Esther and Jerry Hicks have produced the Leading Edge Abraham-Hicks teachings, inspiring countless people through their workshops, CDs/DVDs, and books. Now, three of their most beloved titles are gathered into a single volume: • The Law of Attraction presents the powerful basics of the original Teachings of Abraham®. You've most likely heard the saying "Like attracts like," and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never been explained in as clear and practical terms as it is in these pages. • Money, and the Law of Attraction shines a spotlight on two subjects troubling many people today: money and physical health. This book has been written to deliberately align you with the most powerful law in the universe—the Law of Attraction—so that you can make it work specifically for you, no matter what your life experience may be. • The Vortex will help you understand every relationship you are currently involved in or have ever experienced. It uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the creative Vortex that has already assembled the relationships that you have desired. The Essential Law of Attraction Collection is the perfect read for those who want to

deepen their understanding of the Teachings of Abraham, as well as anyone who would like to have three wonderful books by Esther and Jerry together in one special edition!

Amazing You: Resep rahasia Kehidupan luar biasa Hay House, Inc
"Every part of your life is experienced through the perspective of your physical body, and when you feel good, everything you see looks better. And so, there are few things of greater value than the achievement of health and physical well-being. "Not only does a good-feeling body promote positive thoughts, but, also, positive thoughts promote a good-feeling body. It is our expectation that as you ponder these cards, a new point of attraction will begin to be activated within you that eventually can lead to a wonderful mood or attitude, for if you are able to find feelings of relief even when your body is hurting or sick, you will find physical improvement, because your thoughts create your reality." — Esther & Jerry

The Courtesan's Book of Secrets John Wiley & Sons

In July 1997, twenty-five of America's most influential journalists sat down to try and discover what had happened to their profession in the years between Watergate and Whitewater. What they knew was that the public no longer trusted the press as it once had. They were keenly aware of the pressures that advertisers and new technologies were putting on newsrooms around the country. But, more than anything, they were aware that readers, listeners, and viewers — the people who use the news — were turning away from it in droves. There were many reasons for the public's growing lack of trust. On television, there were the ads that looked like news shows and programs that presented gossip and press releases as if they were news. There were the "docudramas," television movies that were an uneasy blend of fact and fiction and which purported to show viewers how events had "really" happened. At newspapers and magazines, celebrity was replacing news, newsroom budgets were being slashed, and editors were pushing journalists for more "edge" and "attitude" in place of reporting. And, on the radio, powerful talk personalities led their listeners from sensation to sensation, from fact to fantasy, while deriding traditional journalism. Fact was blending with fiction, news with entertainment, journalism with rumor. Calling themselves the Committee of Concerned Journalists, the twenty-five determined to find how the news had found itself in this state. Drawn from the committee's years of intensive research, dozens of surveys of readers, listeners, viewers, editors, and journalists, and more than one hundred intensive interviews with journalists and editors, *The Elements of Journalism* is the first book ever to spell out — both for those who create and those who consume the news — the principles and responsibilities of journalism. Written by Bill Kovach and Tom Rosenstiel, two of the nation's preeminent press critics, this is one of the most provocative books about the role of information in society in more than a generation and one of the most important ever written about news. By offering in turn each of the principles that should govern reporting, Kovach and Rosenstiel show how some of the most common conceptions about the press, such as neutrality, fairness, and balance, are actually modern misconceptions. They also spell out how the news should be gathered, written, and reported even as they demonstrate why the First Amendment is on the brink of becoming a commercial right rather than something any American citizen can enjoy. *The Elements of Journalism* is already igniting a national dialogue on issues vital to us all. This book will be the starting point for discussions by journalists and members of the

public about the nature of journalism and the access that we all enjoy to information for years to come.

Introduction to Critical Legal Theory provides an accessible introduction to the study of law and legal theory. It covers all the seminal movements in classical, modern and postmodern legal

thought, engaging the reader with the ideas of jurists as diverse as Aristotle, Hobbes and Kant, Marx, Foucault and Dworkin. At the same time, it impresses the interdisciplinary nature of critical legal thought, introducing the reader to the philosophy, the economics and the politics of law. This new edition focuses even more intently upon the narrative aspect of critical legal thinking and the re-emergence of a distinctive legal humanism, as well as the various related challenges posed by our 'new' world order. *Introduction to Critical Theory* is a comprehensive text for both students and teachers of legal theory, jurisprudence and related subjects.

Tidak sulit bagi Allah Swt. untuk mengubah nasib hamba-Nya, misalnya orang kaya menjadi miskin, orang sehat menjadi sakit, atau orang susah menjadi senang. Begitu pula, apabila Allah Swt. berkehendak mengangkat derajat seseorang, maka tidak ada satu makhluk pun yang dapat menghalangi-Nya. Miskin dan kaya, sakit dan sehat, susah dan senang adalah cobaan dari Allah Swt. Sepelik dan seberat apa pun cobaan tersebut, selalu ada jalan keluar yang menyertainya. Sebab, Allah tidak mungkin memberikan cobaan yang tak sanggup dipikul oleh hamba-Nya. Selama si hamba terus mendekat dan berserah diri, maka Allah akan senantiasa membantunya. Inilah yang dialami si tukang bengkel dalam buku ini. Berkat semangatnya mengejar cita-cita, kesungguhannya mendekatkan diri kepada Allah, juga

keistiqamahannya membaca al-Qur'an, Allah Swt. pun berkenan memberinya jalan kemudahan untuk mewujudkan cita-citanya itu; menunaikan ibadah haji ke Baitullah. Buku ini sangat layak Anda baca untuk memperkaya rasa syukur dan mempertebal keimanan kepada Allah Swt. Selamat membaca!
