Good Women Behaving Badly A spiteful boss, a defiant employee, a manipulative mother, a desperate housewife, an envious sister...honey, we know these women. We ’ ve lived with them, worked with them, or caught a glimpse of them in our mirrors. Now let ’ s take a look at their ancient counterparts in Scripture: Sarah mistreated her maidservant, Hagar despised her mistress, Rebekah manipulated her son, Leah claimed her sister ’ s husband, and Rachel envied her fertile sister. They were far from evil, but hardly perfect. Mostly good, yet slightly bad. In other words, these matriarchal mamas look a lot like us. “ A Slightly Bad Girl is simply this: a

woman unwilling to fully submit to God. We love him, serve him, and worship him, yet we find it difficult to trust him completely, to accept his plan for our lives, to rest in his sovereignty. ”

Before Moses wrote the first five books of today ’ s Bible, the people who survived the great flood in Noah ’ s day were told about the ten generational divisions of time ordained by God for mankind to live on this earth. The beginning and end of each division—from Adam in the book of Genesis to the Great White Throne Judgment day—are found in our Bible today. It has been said that the prophets in Israel kept these “ ten generational divisions of time ” writings so that they might ascertain and confirm prophetic events. Many of these prophecies have already been confirmed, but a few remain to be fulfilled. Hope and Expectancy is about these divisions of time as found in the Bible. Seven have been fulfilled, and three await fulfillment. Discover the current division of time and the event that will mark its end.

Funny and deeply personal, Sorry Not Sorry recounts Glee star Naya Rivera's successes and missteps, urging young women to pursue their dreams and to refuse to let past mistakes define them. Navigating through youth and young adulthood isn't easy, and in Sorry Not Sorry, Naya Rivera shows us that we're not alone in the highs, lows, and in-betweens. Whether it's with love and dating, career and ambition, friends, or gossip, Naya inspires us to follow our own destiny and step over--or plod through--all the crap along the way. After her rise and fall from early childhood stardom, barely eking her way through high school, a brief stint as a Hooters waitress, going through thick and thin with her mom/manager, and resurrecting her acting career as Santana Lopez on Glee, Naya emerged from these experiences with some key life lessons: Sorry: - All those times I scrawled "I HATE MY MOM" in my journal. So many moms and teenage daughters don't get along--we just have to realize it's nothing personal on either side. - At-home highlights and DIY hair extensions. Some things are best left to the experts, and hair dye is one of them. - Falling in love with the idea of a person, instead of the actual person. Not Sorry: - That I don't always get along with everyone. Having people not like you is a risk you have to take to be real, and I'll take that over being fake any day. - Laughing at the gossip instead of getting upset by it. - Getting my financial disasters out of the way early--before I was married or had a family--so that the only credit score that I wrecked was my own. Even with a successful career and a family that she loves more than anything else, Naya says, "There's still a thirteen-year-old girl inside of me making detailed lists of how I can improve, who's never sure of my own self-worth." Sorry Not Sorry is for that thirteen-year-old in all of us.
