Stole My Life. They're a glamorous family, the Caseys. Johnny Casey, his two brothers Ed and Liam, their beautiful, talented wives and all their kids spend a lot of time together--birthday parties, anniversary

celebrations,
weekends away.
And they're a happy
family. Johnny's
wife, Jessie--who
has the most
money--insists on it.
Under the surface,
though, conditions
are murkier. While
some people clash,
other people like
each other far too
much . . . Still,
everything manages
to stay under
control--that is, until
Ed's wife, Cara,
gets a concussion
and can't keep her
thoughts or opinions
to herself. One
careless remark at
Johnny's birthday
party, with the entire
family present, and
Cara starts spilling
all their secrets. As
everything unravels,
each of the adults
finds themselves
wondering if
it's--finally--the time

to grow up.

Luke, her ex. What kind of a new start in life is this? The Holiday Doubleday Canada Jojo Harvey is a dead ringer for Jessica Rabbit and the most ferocious literary agent in town. A former NYPD cop, she now lives in London making million-dollar book deals while trying to make partner at her firm . . . all the while sleeping with the boss man. Lily Wright is an

author who believes in karma, and is waiting for the sky to fall after stealing her former best friend's man. Though her first book failed to sell, her life turns upside down when her most recent book becomes a huge bestseller. Gemma Hogan is an event designer extraordinaire, but her personal life is nonexistent after losing the love of her life and her best friend in one

fell swoop. To make matters worse, her father has just left her mother. While taking care of her mother, she e-mails a close colleague about her frustrations, who in turn forwards the hilarious e-mails to a famous literary agent named Jojo Harvey, who just happens to represent her former friend, now enemy, Lily Wright. . . . Written in the charming and chatty voice

that has become Marian Keyes's signature style, this hilarious and heartwarming novel proves there are three sides to every story . . . especially in the world of publishing!

Rumor Has It
Harper Collins
Bestselling author Marian Keyes has delighted readers with the lives, loves, and foibles of the irrepressible Walsh sisters and their eccentric mammy. In this *Life in the Big Apple* is perfect for Anna. She has the best job in the world, a lovely apartment, and great friends. Then one morning,

she wakes up in her mammy's house in Dublin with stitches in her face, a dislocated knee, hands smashed up, and no memory at all of what happened. As soon as she's able, Anna's flying back to Manhattan, mystified but determined to find out how her life turned upside down. As her past slowly begins coming back to her, she sets out on an outrageous quest—involving lilies, psychics, mediums, and anyone who can point her in the right direction. Marrying life's darker bits with wild humor and tender wit, *Anybody Out There?* is a strange and wonderfully charming look at love here and ever after.

The Break Harper Collins Mammy Walsh's A-Z of the Walshes is a laugh-out-loud ebook-only short guide to everyone's favourite dysfunctional Irish family. It does exactly what it says on the tin but here's a brief word from its author, Mammy Walsh herself: 'There's this woman I know from bridge, Mona Hopkins, a lovely woman she

is, even if I must admit I'm not that keen on her myself, and she said a great thing the other day. I was expecting her to say "Two no trumps," but instead she comes out with a saying about her children. She says, "Boys wreck your house and girls wreck your head." Isn't that a marvellous bit of wisdom - "Boys wreck your house and girls wreck your head!" And God knows it's the truest thing I've heard in a long time. I should know. I have five girls. Five daughters. And let me tell you, my head is wrecked from them. Although, now that I think of it, so is my house . . . ' It's the perfect re-introduction to the Walsh family, featured in Marian's bestselling novels about the Walsh sisters, *Watermelon*, *Rachel's Holiday*, *Angels, Anybody Out There* and *The Mystery of Mercy Close* .
