NEW YORK TIMES BESTSELLER • From one of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

But if there's a False Self, is there also a True Self? What is it? How is it found? Why does it matter? And what does it have to do with the spiritual journey? This book likens True Self to a diamond, buried deep within us, formed under the intense pressure of our lives, that must be searched for, uncovered, separated from all the debris of ego that surrounds it. In a sense True Self must, like Jesus, be resurrected, and that process is not resuscitation but transformation. Shows how to navigate spiritually difficult terrain with clear vision and tools to uncover our True Selves Written by Father Richard Rohr, the bestselling author of *Falling Upward* Examines the fundamental issues of who we are and helps us on our path of spiritual maturity *Immortal Diamond* (whose title is taken from a line in a Gerard Manley Hopkins poem) explores the deepest questions of identity, spirituality, and meaning in Richard Rohr's inimitable style. *A Spring Within Us* Multnomah Matthew Fox, a 76-year-old elder, activist and spiritual theologian, along with Skylar Wilson, a 33-year-old

wilderness guide, leader of inter-cultural ceremonies, and an event producer, and Jennifer Berit Listug, a 28-year-old writer, spiritual leader, and publicist, are presenting a challenge and an opportunity in the vision launched in this modest book. That vision is about creating an Order of the Sacred Earth. Essay contributors to the book and its vision include Mirabai Starr, Brian Thomas Swimme, Adam Bucko, and David Korten.

There are qualities we all yearn to experience in our lives—peace, simplicity, grace, connection, clarity. Yet these qualities evade us because each of them arises from an experience of wholeness, and we live in a culture that enforces divisions within each of us. In *Radical Wholeness*, Philip Shepherd shows the countless ways in which we are persuaded to separate from the body and live in the head. Disconnected from the body's intelligence, we also disconnect from the wholeness of the present. This schism within us is the primary source of stress not just in our personal lives, but for the systems of the planet. Drawing from neuroscience, anthropology, physics, the arts, myth, personal stories and his experiences helping people around the world to experience wholeness, Philip Shepherd illuminates what true wholeness means and offers practices designed to help readers soften into the intelligence of the body. *Radical Wholeness* is a call to action: to recover wholeness and experience a new way of being.

[Immortal Diamond](#) Monkfish Book Publishing

This perennial book features daily meditations, each written by Rohr and adapted or excerpted from his many written and recorded works. The meditations are arranged around seven themes: Methodology: Scripture as validated by experience, and experience as validated by tradition, are good scales for one's spiritual worldview Foundation: If God is Trinity and Jesus is the face of God, then it is a benevolent universe. God is not someone to be afraid of, but is the Ground of Being and on our side. Frame: There is only one Reality. Any distinction between natural and supernatural, sacred and profane is a bogus one. Ecumenical: Everything belongs and no one needs to be scapegoated or excluded. Evil and illusion only need to be named and exposed truthfully, and they die in exposure to the light. Transformation: The separate self is the problem, whereas most religion and most people make the "shadow self" the problem. This leads to denial, pretending, and projecting instead of real transformation into the Divine. Process: The path of descent is the path of transformation. Darkness, failure, relapse, death, and woundedness are our primary teachers, rather than ideas or doctrines. Goal: Reality is paradoxical and complementary. Non-dual thinking is the highest level of consciousness. Divine union, not private perfection, is the goal of all religion. Yes, and...is an excellent daily prayer resource for fans of Richard Rohr's work, and those who are looking for an alternate way to live out their faith--a way centered in the open-minded search for spiritual relevance of a transforming nature.

[Near Occasions of Grace](#) William Morrow Paperbacks

In this companion to *The Universal Christ*, Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live "in Christ." In his landmark book *The Universal Christ*, Richard Rohr articulated a transformative view of what it means to recognize Jesus as "Christ"—as a portrait of God's constant, unfolding work in the world. Now, in

partnership with Patrick Boland, a psychotherapist and member of Rohr's Center for Action and Contemplation community, he invites readers to engage with the themes of the book through spiritual practice. Each reflection in this book draws on a key passage of *The Universal Christ*, paired with prayers, journal prompts, and embodied exercises that invite readers into a more personal encounter with the truth that the presence and compassion of the Christ are in every thing. Whether read daily for the season of Lent or explored over the course of a year, *Every Thing Is Sacred* is a hope-filled journey into the love at the heart of all things.
