One of the most beloved and trusted mindfulness teachers in America offers a lifeline for difficult times: the RAIN meditation, which awakens our courage and heart Tara Brach is an in-the-trenches teacher whose work counters today's ever-increasing onslaught of news, conflict, demands, and anxieties--stresses that leave us rushing around on auto-pilot and cut off from the presence and

In this heartfelt and deeply practical book, she offers an antidote: an easy-to-learn four-step meditation that quickly loosens the grip of difficult emotions and limiting beliefs. Each step in the meditation practice (Recognize, Allow, Investigate, Nurture) is brought to life by memorable stories shared by Tara and her students as they deal with feelings of overwhelm, loss, and self-aversion, with painful relationships, and past trauma--and as they discover step-by-step the sources of love, forgiveness, compassion, and deep wisdom alive within all of us. **On the Threshold of Transformation**  
Crossway  
The Twelve Steps of Alcoholics Anonymous is America's most significant and authentic contribution to the history of

spirituality, says Richard Rohr. He makes a case that the Twelve Steps relate well to Christian teaching and can rescue people who are drowning in addiction and may not even realize it. To survive the tidal wave of compulsive behavior and addiction, Christians must learn to breathe under water and discover God's love and compassion. In this exploration of Twelve Step spirituality, Rohr identifies the Christian principles in the Twelve Steps, connecting The Big Book of Alcoholics Anonymous with the gospel. He draws on talks he has given for over twenty years to people in recovery and those who counsel and live with people with addictive behavior. Rohr offers encouragement for becoming interiorly alive and inspiration for making one's life manageable for dealing

"Faith is breathing in the oxygen of God's grace, giving life to my once-dead heart." — Paul David Tripp  
As breath is to the body, so faith is to the Christian life. Through 40 daily meditations from his best-selling devotional *New Morning Mercies*, popular author and

speaker Paul David Tripp explores how deep-seated trust in God and his word radically alters not only the way we think, but also the way we live. Tripp urges us not to rely on our own wisdom, experience, and strength—but to ask God to transform us into people who live by faith with a radical, God-centered point of view.

*Eager to Love* Monarch Books

In this companion to *The Universal Christ*, Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live "in Christ." In his landmark book *The Universal Christ*, Richard Rohr articulated a transformative view of what it means to recognize Jesus as "Christ"—as a portrait of God's constant, unfolding work in the world. Now, in partnership with Patrick Boland, a psychotherapist and member of Rohr's Center for Action and Contemplation community, he invites readers to engage with the themes of the book through spiritual practice. Each reflection in this book draws on a key passage of *The Universal Christ*, paired with prayers, journal prompts, and embodied exercises that invite readers into a more personal

encounter with the truth that the presence and compassion of the Christ are in every thing. Whether read daily for the season of Lent or explored over the course of a year, *Every Thing Is Sacred* is a hope-filled journey into the love at the heart of all things.

*Breathing Under Water* Harper Collins

Twentieth century science completely revolutionized human understanding of the world, rewriting the story of the universe with exciting discoveries and theories—the big bang, the relativity of space and time, the accelerating expansion of the universe, along with increasingly refined ideas of evolution and the origin of life. *Radical Amazement* unifies the worlds of science and religion, weaving profound spiritual lessons from our new knowledge. Through thoughtful and practical reflections, enhanced by prayers and meditations, Judy Cannato reveals the connectedness of all creation and invites us to explore the harmony of science and spirituality.

*Why be Catholic?* CreateSpace

This perennial book features daily meditations, each written by Rohr and adapted or excerpted from his many written and recorded works. The meditations are arranged around seven themes: Methodology: Scripture as validated by experience, and experience as validated by tradition, are good scales for one's spiritual worldview  
Foundation: If God is Trinity and Jesus

is the face of God, then it is a benevolent universe. God is not someone to be afraid of, but is the Ground of Being and on our side. Frame: There is only one Reality. Any distinction between natural and supernatural, sacred and profane is a bogus one. Ecumenical: Everything belongs and no one needs to be scapegoated or excluded. Evil and illusion only need to be named and exposed truthfully, and they die in exposure to the light. Transformation: The separate self is the problem, whereas most religion and most people make the "shadow self" the problem. This leads to denial, pretending, and projecting instead of real transformation into the Divine. Process: The path of descent is the path of transformation. Darkness, failure, relapse, death, and woundedness are our primary teachers, rather than ideas or doctrines. Goal: Reality is paradoxical and complementary. Non-dual thinking is the highest level of consciousness. Divine union, not private perfection, is the goal of all religion. Yes, and...is an excellent daily prayer resource for fans of Richard Rohr's work, and those who are looking for an alternate way to live out their faith--a way centered in the open-minded search for spiritual relevance of a transforming nature.

Rohr and Martos answer the question, "Why Be Catholic?" fairly and squarely, showing a deep appreciation about what is good in Catholicism and a penetrating

honesty about the Church's shortcomings. They also examine what it means to be Catholic in the United States today. Finally, to answer the title question in a more personal way, they present portraits of some outstanding Catholics, especially those we call saints, who have found personal fulfillment by living their faith to the utmost.

**You Are Radically Loved** Orbis Books

Richard Rohr, internationally known retreat leader, speaker and writer, plumbs the depths of the Job's story and its relevance for us today. Rohr strips Christian faith down to the essentials, beyond glib answers and a "hand-me-down" experience of God, and points the way to true knowing. In this invigorating exploration, the tension between suffering and faith becomes a powerful means to an authentic, open connection with the divine. Everything Belongs Penguin

In a culture built on consumption--especially of food--it is easy to forget the poor that Jesus cared so much about. Following the pattern of his successful Advent Conspiracy, Chris Seay invites readers on a journey of self-examination, discipline, and renewed focus on Jesus that will change their lives forever. He challenges readers to eat like the poor for forty days in solidarity with a much-neglected group of people, and to donate the money they save on groceries to a charity or project that serves the poor in concrete ways. But

he doesn't expect them to go it alone. A Place at the Table includes a short chapter for each of those forty days with Scripture, reflections, prayers, encouragement, and tips for engaging the whole family in the process. The six-session DVD, shot in such locations as the Holy Land, Haiti, and Ecuador, will help small groups and entire churches go on a passionate journey of radical faith, personal action, solidarity with the poor, and extravagant grace.

Unique Lenten Reflections We are one--not just all human beings, but all creation, the entire universe. We live in and through a complex set of relationships we hardly notice. These insights affirmed by new physics and old mystics alike provide the foundation for *Quantum Grace*, a book of compelling daily Lenten reflections. Author Judy Cannato invites us during the season of Lent to look at our beliefs, decisions, and actions and the ways they affect our personal lives and the lives of others. She shows us that "remaining vulnerable to the divine presence, allowing God to expose the places in our hearts that suffer from the illusion that we are separate and apart--this is the real work of Lent, and it is a co-creative activity that requires us to be honest with God so that God can be honest with us." Intended for individual reflection, but also ideal for group use, *Quantum Grace* offers a unique and valuable approach to the Lenten experience.

"Grace is more than just a story, it's more than just a theology, and it's more than just a powerful force—no, grace is a person, and his name is Jesus. Jesus is the grace of God." — Paul David Tripp There is nothing we can do to earn God's grace—it is a gift. Through 40

daily meditations from his best-selling devotional *New Morning Mercies*, popular author and speaker Paul David Tripp explores the role grace plays in the everyday life of a Christian. He reminds us that God, in his infinite mercy, can radically transform even the weakest people by the life-changing power of his grace through his Son, Jesus Christ.

***My Heart Cries Out*** Baker Books

Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond.

Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, "a master of 'making room for it' and letting go of that which was tired or empty." Francis found an "alternative way" to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel.

Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. ***God for Us*** Harper Collins

What happens when being radical for God brings you to the edge of disaster? When Kay Bruner and her husband, Andy, took their young family to live on an island in the South Pacific, she found the purposeful, adventurous life she'd hoped for—along with isolated living, dangerous sea travel, tropical illnesses, and a floundering marriage. As they worked on a Bible translation project with a local language group, Kay sank into burnout and

---

depression while Andy medicated his stress with a pornography addiction. Bringing life back from the brink required a radical reinvention of life, from a ministry and marriage built on high performance and spiritual heroism, to a nourishing daily walk of grace, freedom, and intimate connection. This is a story about going to extremes for spiritual acceptability and failing dismally, only to find that love and grace transcend failure. For anyone who's ever asked, "When will I be good enough for love?" This book resoundingly answers: "Right now. You are loved, right this minute, in this mess." While few of us will live on a tiny island in the South Pacific, many of us will find hope and healing in this story of a painful fall into the arms of love.

**A Place at the Table** Franciscan Media Using Zen parables and personal experiences, Rohr leads readers beyond the techniques of prayer to a place where they can receive the gift of contemplation--and know that everything belongs.

*A State of Grace* Crossway

Deep, personal pain is very real for men. So is the power to transform it. In one of the

opening meditations of this book, male spirituality expert Richard Rohr writes, "We need to fail, to fall, to jump into the central mystery of our own existence, or we'll have no way of finding our true path." Those words serve as the starting point for a potentially transformative experience, one in which men come to grips with the fact that some form of suffering or letting go is essential to achieving wholeness, holiness, and happiness. With nearly every man dealing with some form of hurt in his life, *On the Threshold of Transformation* acknowledges the pain and deals with it directly and redemptively. While much of our culture today would have us believe that failure and suffering are inherently bad, Fr. Rohr helps men see that pain—in whatever form it takes—is a primary doorway through which they can pass to reach their authentic, best selves, which is where they will truly encounter God. Ultimately, this book of 366 daily meditations helps men learn how to transform their pain so they don't pass it on. With Fr. Rohr as their guide, the path to male spiritual transformation can be found and followed.
