Ecclesiastes or, The Preacher Harlequin

When a mysterious illness begins to sweep through Noctem Falls affecting the children, Eleanor Kimball is called to the city to see if she can determine what is wrong. As a pediatrician Eleanor loves children and desires many of her own, however, after several dating disasters she has not only sworn off men, but has given up her dream of a family, and the promise of a destined mate. After discovering Grant in Noctem Falls she is faced with her own insecurities and finds it hard to believe in his love. Grant Douglas is a man of few words and doesn't do well surrounded by others. He is scared to death of finding a mate. He believes the harshness of his past, where he struggled to survive, didn't cultivate a gentle heart. After a series of terrifying nightmares where his mate is at risk, Grant has decided he doesn't want a mate at all. When he meets Ellie, he realizes there are some things worth fighting for. Even if it means putting himself out there by becoming the Alpha he was born to be and facing the power he desperately tries to hide. As Ellie starts to believe in Grant's love it will take every ounce their combined strength to discover why the shifter children are suddenly falling ill before it's too late.

Malakai HarperCollins UK

A noted entrepreneur, food writer, and recipe developer serves up an evocative adventure story about her quest to find healing, meaning, and a place at the table. Hunger comes to us in many forms, writes Lia Huber—we long to be satisfied not just physically, but emotionally and spiritually as well. Nourished invites readers on Huber's world-roaming search to find the necessary ingredients to nurture all three. She begins her quest with an Anthony Bourdain moment in a Guatemalan village: she's slipping fresh vegetables into a communal pot of soup she's cooking up for chronically undernourished children. Village grannies look on disapprovingly... until the kids come back for more. From there, Huber takes readers to the Greek island of Corfu, where she learns the joys of simple food and the power of unconditional love; to a Costa Rican jungle house (by way of an 8,000-mile road trip), where she finds hope and healing; and finally to California's wine country, where she steps into the person she was meant to be and discovers her calling to nourish others.

[The Gospel According to Mark](#) Canongate Books

The classic political satire about an imaginary ideal world by one of the Renaissance's most fascinating figures. Named after a word that translates literally to "nowhere," Utopia is an island dreamed up by Thomas More, a devout Catholic, English statesman, and Renaissance humanist who would be canonized as a saint centuries after he was executed for choosing God over king. More's novel introduces us to Utopia's society and its customs. It is a place of no private property and no lawyers; of six-hour workdays and simple ways; and, intriguingly, of a

combination of values that blend the traditional with the highly controversial, from euthanasia to married priests to slavery. Remarkably thought-provoking, it is a novel that asks us to question what makes a perfect world—and whether such a thing is even possible.

He's a larger than life MMA fighter. She's a quiet paralegal. The world they live in is under attack. Will they survive long enough to get their HEA? Malakai Palamo is the seventh son of a seventh son. He left his Samoan island home in search of his mate. Almost one hundred years later, he faintly catches her scent. Kai doesn't give up until he finds her. That should be the end of it, but nothing comes easy for the Stone Society Gargoyles, and Malakai is no different. Josie Pierson has spent the last ten years living in her sister Presley's shadow. Both her sister and their father are successful lawyers, and Josie is their paralegal, working her ass off to make them look good. She's quiet, underappreciated, and constantly wishing she had what her sister has. Until she meets the man Presley wants. The man who wants Josie instead. When Drago takes his war with the Stone Society to the next level, lives are at risk in more ways than one. Malakai and Josie rush off to Samoa to hide out, but they aren't as safe as they should be. The excitement heats up in book 13, and someone's going to get burned.

In *The Artisan Soul*, Erwin Raphael McManus, author, thought leader, and founder of MOSAIC in Los Angeles, pens a manifesto for human creativity and the beginning of a new renaissance.

McManus not only calls us to reclaim our creative essence but reveals how we can craft our lives into a work of art. There are no shortcuts to quality, and McManus celebrates the spiritual process that can help us discover our true selves. McManus demonstrates that we all carry within us the essence of an artist. We all need to create, to be a part of a process that brings to the world something beautiful, good, and true, in order to allow our souls to come to life. It's not only the quality of the ingredients we use to build our lives that matter, but the care we bring to the process itself. Just like baking artisan bread, it's a process that's crafted over time.

And God has something to say about how we craft our lives. With poignant, inspirational stories and insights from art, life, history, and scripture interspersed throughout, McManus walks readers through the process of crafting a life of beauty and wonder.

A witch and a pirate walk into a pub? Lilly St. James is sunlight and rainbows. By day, she sells her stunning artwork in Jackson

Square. By night, she mixes spells and potions for her witchcraft shop, Hexes and Ohs, located in the French Quarter. Lilly's life hasn't been the same since she lost her beloved Grams, but she's doing all right. That is until a local pirate casts a spell on her. Or so she thinks. Dominic Dubois is midnight and storms. By day, the Gargoyle leader over the southern states settles disputes and drinks rum. Lots of rum. By night, he flies high about his beloved city of New Orleans, keeping watch over humans and supernaturals alike. For almost six hundred years, the former pirate has waited for the day a prophecy regarding his mate comes to pass. Lilly doesn't need her wand to cast a spell on the pirate. One look at the pretty witch, and Dominic is vexed.

Urijah Gregor

Two Alpha Gargoyles... Urijah Aldobrand and Banyan Sorensen spend the first two hundred years of their lives together, first playing as boys, then fighting alongside each other as warriors. Urijah is searching for a female mate, denying what is in front of him his whole life. He sets off alone, in denial, leaving his best friend behind. A couple of centuries later, life has finally given Urijah what he wants until his best friend betrays him.

Devastated, Uri cuts him out of his life. Banyan spends years silently loving his best friend while not so silently trying to convince him they are mates. When they part ways, Banyan carries on, going through the motions of living as a lone male.

Two hundred years later, Banyan has found a life for himself in New Orleans. When he makes a grave mistake, he loses his mate for good. War is finally upon the Stone Society. Fifty of the Clan travel to Greece for battle, but not all return home. Banyan, heir to the Norse throne, is now ready to accept the crown. Not only has he kept his promises, but a lifetime of secrets as well. Urijah, at a crossroads, decides to return home, hoping to find himself.

Both ending up back in Norway surrounded by family, they each must come to terms with what the fates have in store for them.

Will Uri let go of his anger and forgive his old friend? Or will he once again turn his back on a future with his mate?

Rafael's Suitable Bride Delacorte Books for Young Readers

Fifteen Years... For fifteen years, Cade Anderson, drummer for the world-famous rock band 7's Mistress, has been in love with his best friend, the band's lead singer. Even though it's been years since they were lovers, Cade still wants the man. When his best friend falls in love with someone else, life as Cade knows it is over. The band breaks up and Cade has to figure out how to move on.

Ten Years... For ten years, Mal Wilson has hidden who he really is from the small-minded people of Arlo, Kentucky. The family farm is dwindling down to nothing, and the bar he owns is draining him dry. When it looks like he's going to lose both, Mal has to figure out where to go from here.

Three Months... For three months, Cade has been drinking and f*cking his way across the country, trying to forget about his former friend and lover.

When he finds himself at a redneck joint in the middle of nowhere, he is drawn to the handsome roughneck tending bar. Something in the man stirs Cade for the first time in years. One

Night... When Mal ends up in a hotel room with the handsome blond man who sat in his bar for hours, the man asks for one night together. When Mal wakes up, he knows that one night will never be enough, but it has to be. Two men... One musician, rich and famous, out and proud of his sexuality. One cowboy, poor as the dirt under his boots, hiding who he is from the world. It'll never work. Or will it?

The record-breaking phenomenon from Elizabeth Kostova is a celebrated masterpiece that "refashioned the vampire myth into a compelling contemporary novel, a late-night page-turner" (San Francisco Chronicle). Breathtakingly suspenseful and beautifully written, The Historian is the story of a young woman plunged into a labyrinth where the secrets of her family's past connect to an inconceivable evil: the dark fifteenth-century reign of Vlad the Impaler and a time-defying pact that may have kept his awful work alive through the ages. The search for the truth becomes an adventure of monumental proportions, taking us from monasteries and dusty libraries to the capitals of Eastern Europe—in a feat of storytelling so rich, so hypnotic, so exciting that it has enthralled readers around the world. "Part thriller, part history, part romance... Kostova has a keen sense of storytelling and she has a marvelous tale to tell." —Baltimore Sun

My Protector Little, Brown

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince

criminal investigator. Christianity could be defined as a “ cold case ” : it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers ’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

In the Skin of a Lion Independently Published

The bestseller that challenges conventional thinking about morality, politics, and religion in a way that speaks to conservatives and liberals alike—a “ landmark contribution to humanity ’ s understanding of itself ” (The New York Times Book Review). Drawing on his twenty-five years of groundbreaking research on moral psychology, social psychologist Jonathan Haidt shows how moral judgments arise not from reason but from gut feelings. He shows why liberals, conservatives, and libertarians have such different intuitions about right and wrong, and he shows why each side is actually right about many of its central concerns. In this subtle yet accessible book, Haidt gives you the key to understanding the miracle of human cooperation, as well as the curse of our eternal divisions and conflicts. If you ’ re ready to trade in anger for understanding, read *The Righteous Mind*.
