Meet your new favorite kickass heroine in this daring YA series by New York Times bestselling authors Rachel Caine and Ann Aguirre, a thrilling yet romantic futuristic adventure perfect for fans of Claudia Gray's *A Thousand Pieces of You*. Petty criminal Zara Cole has a painful past that's made her stronger than most, which is why she chose life in New Detroit instead moving with her family to Mars. In her eyes, living inside a dome isn't much better than a prison cell. Still, when Zara commits a crime that has her running scared, jail might be exactly where she's headed. Instead Zara is recruited into the Honors, an elite team of humans selected by the Leviathan—a race of sentient alien ships—to explore the outer reaches of the universe as their passengers. Zara seizes the chance to flee Earth's dangers, but when she meets Nadim, the alien ship she's assigned, Zara starts to feel at home for the first time. But nothing could have prepared her for the dark, ominous truths that lurk behind the alluring glitter of starlight.

The second thrilling installment of the award-winning *Nevernight Chronicle*, from New York Times bestselling author Jay Kristoff. In a land where three suns almost never set, a ruthless assassin continues her quest for vengeance against the powers who destroyed her family. Mia Corvere has found her place among the Blades of Our Lady of Blessed Murder, but many in the Red Church hierarchy think she's far from earned it. Plying her bloody trade in a backwater of the Republic, she's no closer to ending the men who destroyed her familia; in fact, she's told directly that Consul Scaeva is off limits. But after a deadly confrontation with an old enemy, Mia's suspicions about the Red Church's true motives begin to grow. When it's announced that Scaeva will be making a rare public appearance at the conclusion of the grand games in Godsgrove, Mia defies the Church and sells herself to a gladiatorial collegium for a chance to finally end him. Upon the sands of the arena, Mia finds new allies, bitter rivals, and more questions about her strange affinity for the shadows. But as conspiracies unfold within the collegium walls, and the body count rises, Mia will be forced to choose between love and revenge, and uncover a secret that could change the very face of her world.

In *Larry Holmes*, the reader will experience the uplifting odyssey that took Larry Holmes from a boxing nobody to a world champion.

Holmes is considered to be one of the greatest heavyweight champions of our time and held the title for more than seven years. But his rise to the top was hardly an easy one. He began his life as one of twelve children raised by a single mother in Cuthbert, Georgia, and had to struggle in poverty for the first sixteen years of his life. His road to champion—from which he would net \$40 million—was one requiring doggedness and extreme courage, qualities that led people to dub Holmes "The People's Champion." Also featured in the book is an insider's look at Holmes' relationship with Muhammad Ali, his views on the state of boxing in the 1990s—including the Mike Tyson situation, his fights with Don King, and his ratings of the top boxers today. Larry Holmes is a champion in every sense of the word. He has risen to every challenge he faced—from poverty to ridicule to naysayers—and his life story is both inspiring and moving.

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

Jurassic Park The Kiss of Deception

An award-winning writer reimagines the life of Jesus, from the points of view of four people closest to him before his death. This is the story of Yehoshuah, who wandered Roman-occupied Judea giving sermons and healing the sick. Now,

a year after his death, four people tell their stories.

His mother grieves, his friend Lehuda loses his faith, the High Priest of the Temple tries to keep the peace, and a rebel named Bar-Avo strives to bring that peace tumbling down. It was a time of political power plays and brutal tyranny. Men and women took to the streets to protest. Dictators put them down with iron force. In the midst of it all, one inconsequential preacher died. And either something miraculous happened, or someone lied. Viscerally powerful in its depictions of the period -- massacres and riots, animal sacrifice and human betrayal -- *The Liars' Gospel* makes the oldest story entirely new.

Rhythms of the Brain Simon and Schuster

A huge international corporation has developed a facility along the Juan de Fuca Ridge at the bottom of the Pacific Ocean to exploit geothermal power. They send a bio-engineered crew--people who have been altered to withstand the pressure and breathe the seawater--down to live and work in this weird, fertile undersea darkness.

Unfortunately the only people suitable for long-term employment in these experimental power stations are crazy, some of them in unpleasant ways. How many of them can survive, or will be allowed to survive, while worldwide disaster approaches from below?

#1 New York Times bestselling author Christine Feehan returns to the mysterious coastal town of Sea Haven where a woman is stalked by her inescapable past in the fourth novel in the *Sisters of the Heart*

series. On the shores of Sea Haven, six women touched by great loss have come together in a sisterhood strengthened by the elements—a bond each will need as new love and danger enter their lives... After escaping from a cult, Lexi found refuge with her sisters on the farm that more than sustained her body—it nurtured her soul as well. But she never forgot the terror she left behind or the always present fear that the cult would find her again, and claim her. Then her nightmare came true. Lexi was discovered and threatened—only to be suddenly saved by a stranger. He is Gavriil Prakenskii, and he's awestruck by the woman he's rescued. She is destined for him. He can feel it in his soul. But how can Lexi find happiness with a man steeped in secrets and shadows, one intimately acquainted with violence, and whose very love could be the death of them?

Nineteen Eighty-Four Orion

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven

• MAN BOOKER PRIZE FINALIST • “ A gripping historical narrative exploring both the bounds of slavery and what it means to be truly free. ” —Vanity Fair Eleven-year-old George Washington Black—or Wash—a field slave on a Barbados sugar plantation, is initially terrified when he is chosen as the manservant of his master's brother. To his surprise, however, the eccentric Christopher Wilde turns out to be a naturalist, explorer, inventor, and abolitionist. Soon Wash is initiated into a world where a flying machine can carry a man across the sky, where even a boy born in chains may embrace a life of dignity and meaning, and where two people, separated by an impossible divide, can begin to see each other as human. But when a man is killed and a bounty is placed on Wash's head, they must abandon everything and flee together. Over the course of their travels, what brings Wash and Christopher together will tear them apart, propelling Wash ever farther across the globe in search of his true self. Spanning the Caribbean to the frozen Far North, London to Morocco, Washington Black is a story of self-invention and betrayal, of love and redemption, and of a world destroyed and made whole again.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the

novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

This is a story about love, but not the kind of love you think. You'll see... In the lush and magical Pacific Northwest live two best friends who grew up like sisters: charismatic, mercurial, and beautiful Aurora, and the devoted, watchful narrator. Each of them is incomplete without the other. But their unbreakable bond is challenged when a mysterious and gifted musician named Jack comes between them. His music is like nothing I have ever heard. It is like the ocean surging, the wind that blows across the open water, the far call of gulls. Suddenly, each girl must decide what matters most: friendship, or love. What both girls don't know is that the stakes are even higher than either of them could have imagined. They're not the only ones who have noticed Jack's gift; his music has awakened an ancient evil—and a world both above and below which may not be mythical at all. We have paved over the ancient world but that does not mean we have erased it. The real and the mystical; the romantic and the heartbreaking all begin to swirl together in *All Our Pretty Songs*, Sarah McCarry's brilliant debut, carrying the two on journey that is both enthralling and terrifying. And it's up to the narrator to protect the people she loves—if she can.

When Tess Devlin runs into her ex-husband Nick on a Boston sidewalk, she's furious at him for pretending he doesn't know her. She calls his cell to have it out with him, only to discover that he's in New Hampshire with his current girlfriend. But if Nick's in New Hampshire...who did she encounter on the street? Frank Lindbergh's dreams have fallen apart. He wanted to get out of the grim neighborhood where he'd grown up and out of the shadow of his alcoholic father. Now both his parents are dead and he's back in his childhood home, drinking too much himself. As he sets in motion his plans for the future, he's assaulted by an intruder in his living room...an intruder who could be his twin. In an elegant hotel, Tess will find mystery and terror in her own reflection. Outside a famed mansion on Beacon Hill, people are infected with a diabolical malice...while on the streets, an eyeless man, dressed in rags, searches for a woman who wears Tess's face...in Christopher Golden's *Dead Ringers*.

The Big Book of Words You Should Know Macmillan

A young artist forges a path of self-discovery in an enriching novel about forgiving the past and embracing second chances, from the bestselling author of *An Unfinished Story*. Maine, 1969. After losing her parents in a car accident, aspiring artist Annalisa Mancuso lives with her grandmother and their large Italian family in the stifling factory town of Payton Mills. Inspired by her mother, whose own artistic dreams disappeared in a damaged marriage, Annalisa is dedicated only to painting. Closed off to love, and driven as much by her innate talent as she is the disillusionment of her past, Annalisa just

wants to come into her own. The first step is leaving Payton Mills and everything it represents. The next, the inspiring opportunities in the city of Portland and a thriving New England art scene where Annalisa hopes to find her voice. But she meets Thomas, an Ivy League student whose attentions--and troubled family--upend her pursuits in ways she never imagined possible. As their relationship deepens, Annalisa must balance her dreams against an unexpected love. Until the unraveling of an unforgivable lie. For Annalisa, opening herself up to life and to love is a risk. It might also be the chance she needs to finally become the person and the artist she's meant to be.
