E. L. Doctorow - Wikipedia

During our current turbulent historical era at the beginning of the 21st century, the novel "Ragtime" (written by E.L. Doctorow, 1975, winner of the National Book Critics Circle Award) is a remarkably poignant story about the first decade and a half of the twentieth century (1902-1917), and although it takes place over a hundred years ago, the narrative is striking in tone, sharing many of the same struggles that cause political and social tension today.
