This is the true
story of Franz
Wisner, a man
who thought he

had it all- a high profile career and the fiancé e of his dreams- when suddenly, his life turned upside down. Just days before they were to be married, his fiancé e called off the wedding. Luckily, his large support network of family and friends wouldn't let him succumb to his misery. They decided Franz should have a wedding and a honeymoon anyway- there just wouldn't be a bride at the ceremony, and Franz' travel companion would be his brother,

Kurt. During the "honeymoon," Franz reconnected with his brother and began to look at his life with newfound perspective. The brothers decided to leave their old lives behind them. They quit their jobs, sold all their possessions, and traveled around the world, visiting fifty-three countries for the next two years. In *Honeymoon With My Brother*, Franz recounts this remarkable journey, during which he turned his heartbreak into an opportunity to learn about himself, the world, and the brother he hardly

knew.

Pink Slip Party
Farrar, Straus and Giroux (BYR)
When the body of an American archaeologist is found floating in the Yangzi River, Ministry of Public Security agent Liu Hulan and her husband, American attorney David Stark, are dispatched to Site 518 to investigate. As Hulan scrutinizes this death—or is it a murder?—David, on behalf of the National Relics Bureau, tries to discover who has stolen from the site an artifact that may prove to the world

China's claim that it is the oldest uninterrupted civilization on earth. This artifact is not only an object of great monetary value but one that is emblematic of the very soul of China. Everyone—from the Chinese government, to a religious cult, to an unscrupulous American art collector—wants this relic, and some, it seems, may be willing to kill to get it. At stake in this investigation is control of China's history and national pride, and even stability between China and the United States. The troubled Hulan must overcome her own	fears of failure, while David tries desperately to break through the shell that has built up around his wife. As Hulan and David are enmeshed in international schemes for power and the turbulence of their own relationship, these hunters after the truth become the hunted—in a fast-driving narrative set against the backdrop of the building of the Three Gorges Dam, the largest and most expensive project China has undertaken since the Great Wall and the subject of great international debate. It is here, in the heart of the Three Gorges, that David	and Hulan will battle their enemies and their own natures to see who will win China's dragon bones. Dragon Bones combines ancient myth with contemporary anxieties concerning religious fanaticism and terrorism to tell a story of love, betrayal, history, ecology, greed—and gory murder. <i>Sweet Creek Holler</i> Macmillan Publishers Aus. From failure to fusilli, this deliciously hilarious read tells the story of Giulia Melucci's fizzled romances and the mouth-watering recipes she used to seduce her men, and console herself when the relationships flamed out. From an affectionate alcoholic, to the classic New York City commitment-phobe, to a hipster aged past his sell date, and not one, but two novelists with Peter Pan complexes, Giulia has cooked for them all. She suffers each disappointment

with resolute cheer (after a few tears) and a bowl of pasta (recipes included) and has lived to tell the tale so that other women may go out, hopefully with greater success, and if that's not possible, at least have something good to eat. Peppered throughout Giulia's delightful and often poignant remembrances are fond recollections of her mother's cooking, the recipes she learned from her, and many she invented in the throes of passion.

[Why Am I Afraid to Love?](#) Simon and Schuster
Tessa Dare spins a witty, wanton tale of passion and conquest, as a reformer and a rake find unexpected love. Only one thing could convince Sir Tobias Aldridge, an incorrigible libertine, to profess undying fidelity to a

woman he's just met. Revenge. What better way to get back at an enemy than by stealing the scoundrel's sister? Not that Toby finds it a chore, seducing a beguiling, sultry beauty freshly arrived from the West Indies. When the prize is Isabel Grayson, vengeance is doubly rewarding. Isabel is determined to marry a wealthy, powerful lord and become a lady of influence, using her rank and fortune to fight social injustice.

Sir Toby, with his paltry title and infamous reputation, is unsuitable husband material—but he makes her blood race, her heart pound, and her long-buried passions come to the surface. If she can reform the charming devil, she'll get exactly what she craves: society's respect. But it's a dangerous gamble. For if Toby wins this battle of persuasion, Isabel could lose her heart.

Ballantine Books Tradition has it that God's second commandment is that we should love one another. Why is it so hard? The capacity to love is in everyone. Yet so often it remains trapped and waiting to be released. In John Powell's best-selling *Why Am I Afraid to Love*, he carefully and sensitively

confronts the barriers that restrain. He looks at the fear of rejection, the motives for love, how to truly understand the inner self and what true love looks like. He then considers the true test of love: can self be forgotten in loving others? Based on the original best-selling edition, this new book has been completely re-designed. A fitting companion to *Why Am I Afraid to Tell You Who I Am?*, it is one of the most original and popular self help books on the market. It sits comfortably

alongside other classics like *I'm OK, You're OK. Why Am I Afraid to Love* has sold over 100,000 copies in its original edition.

Humphrey the Horrible (actually his name is simply Humphrey-he added "the Horrible" to help himself become horrible) is a small,

mostly unsuccessful ghost in a family of ghastly ghouls. His mother worries. But Humphrey has enough pluck to befriend a smart, politically aware schoolboy, Rick Henderson, who is willing to take the ghosts' cause right to the top, to number 10 Downing Street-home of the Prime Minister.
