The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me ' s people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is

incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the Kiowa myths, legends, and history with Pulitzer Prize – winning author N. Scott Momaday.

"Martin's latest is another beautifully written winner. . . Amazingly heartfelt statements about love, loss and the true meaning of friendship will resonate deeply with readers." --RT Book Reviews
From the New York Times bestselling author of *The Mountain Between Us* comes a new, spellbinding story of buried secrets, lost love, and the promise of second chances. Allie is still recovering from the loss of her family ' s beloved waterfront restaurant on Florida ' s Gulf Coast when she loses her second

husband to a terrifying highway accident. Devastated and losing hope, she shudders to contemplate the future—until a cherished person from her past returns. Joseph has been adrift for many years, wounded in both body and spirit and unable to come to terms with the trauma of his Vietnam War experiences. Just as he resolves to abandon his search for peace and live alone at a remote cabin in the Carolina mountains, he discovers a mother and her two small children lost in the forest. A man of character and strength, he instinctively steps in to help them get back to their home in Florida. There he will return to his own hometown—and witness the accident that launches a bittersweet reunion with his childhood sweetheart, Allie. When Joseph offers to help Allie rebuild her restaurant, it seems the flame may reignite—until a

45-year-old secret from the past begins to emerge, threatening to destroy all hope for their second chance at love. In *Send Down the Rain*, Charles Martin proves himself to be a storyteller of great wisdom and compassion who bears witness to the dreams we cherish, the struggles we face, and the courage we must summon when life seems to threaten what we hold most dear.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Red Earth and Pouring Rain / Vintage
The gods of poetry and death descend on a house in India to vie for the soul of a wounded monkey. A bargain is struck: the monkey must tell a story, and if he can keep his audience entertained, he shall live. The result is *Red Earth and Pouring Rain*, Vikram Chandra's astonishing, vibrant novel. Interweaving tales of nineteenth-century India with modern America, it stands in the tradition of *The Thousand and One*

Nights, a work of vivid imagination and a celebration of the power of storytelling itself. 'A dazzling first novel written with such originality and intensity as to be not merely drawing on myth but making it.' *Sunday Times*

All the Pretty Horses / HarperCollins

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of*

Eden has remained vitally present in American culture for over half a century.

Rain in the Mountains / RH Childrens Books
Longtime residents of the Sonoran Desert, the Tohono O'odham people have spent centuries living off the land—a land that most modern citizens of southern Arizona consider totally inhospitable. Ethnobotanist Gary Nabhan has lived with the Tohono O'odham, long known as the Papagos, observing the delicate balance between these people and their environment. Bringing O'odham voices to the page at every turn, he writes elegantly of how they husband scant water supplies, grow crops, and utilize wild edible foods. Woven through his account are coyote tales, O'odham children's impressions of the desert, and observations on the political problems that come with living on both sides of an international border. Whether visiting a sacred cave in the Baboquivari Mountains or attending a saguaro wine-drinking ceremony, Nabhan conveys the everyday life and extraordinary perseverance of these desert people in a book that has become a contemporary classic of environmental literature.
The Control of Nature / Candlewick Press
Ruskin Bond's readers range from nine to ninety. And if there are such things as ghosts there are probably a few who are reading him in the spirit world. In these stories Ruskin Bond presents a picture of a 'haunted India' as witnessed and described by British writers, officials and travellers during the pre-

independence era. Ruskin Bond, resident of Mussoorie, is a well-known writer of fiction and a raconteur par excellence. His *Tales and Legends from India*, *Angry River*, *Strange Men*, *Strange Places*, *The Blue Umbrella*, *A Long Walk for Bina and Hanuman to the Rescue* are also available in Rupa paperback. The Ruskin Bond's Children's Omnibus has been a firm favourite with young readers for several years. *Ghost Stories from the Raj*, *The Rupa Book of Great Animal Stories*, *The Rupa Book of True Tales of Mystery and Adventure*, *The Rupa Book of Himalayan Tales* and *The Rupa Book of Great Suspense Stories* are some of his recent books for Rupa.

NATIONAL BESTSELLER • WINNER OF

THE PULITZER PRIZE • A searing, post-

apocalyptic novel about a father and son's fight to

survive, this "tale of survival and the miracle of

goodness only adds to McCarthy's stature as a

living master. It's gripping, frightening and,

ultimately, beautiful" (San Francisco Chronicle). A

father and his son walk alone through burned

America. Nothing moves in the ravaged landscape

save the ash on the wind. It is cold enough to crack

stones, and when the snow falls it is gray. The sky

is dark. Their destination is the coast, although

they don't know what, if anything, awaits them

there. They have nothing; just a pistol to defend

themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep

affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Ghost Stories from the Raj Wyatt North Publishing, LLC

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning."

—New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and

belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review
Sam Gribble is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the

woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

How to Prepare Notes of Lessons Penguin
Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It

takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

East of Eden Faber & Faber

While John McPhee was working on his previous book, *Rising from the Plains*, he happened to walk by the engineering building at the University of Wyoming, where words etched in limestone said: "Strive on--the control of Nature is won, not given." In the morning sunlight, that central phrase--"the control of nature"--seemed to sparkle with unintended ambiguity. Bilateral, symmetrical, it could with equal speed travel in opposite directions. For some years, he had been planning a book about places in the world where people have been engaged in all-out battles with nature, about (in the words of the book itself) "any struggle against natural forces--heroic or venal, rash or well advised--when human beings conscript themselves to fight against the earth, to take what is not given, to rout the destroying enemy, to surround the base of Mt. Olympus demanding and expecting the surrender of the gods." His interest had first been sparked when he went into the Atchafalaya--the largest river swamp in North America--and had learned that virtually all of its waters were metered and rationed by a U.S. Army Corps of Engineers' project called Old River Control. In the natural cycles of the Mississippi's deltaic plain,

the time had come for the Mississippi to change course, to shift its mouth more than a hundred miles and go down the Atchafalaya, one of its distributary branches. The United States could not afford that--for New Orleans, Baton Rouge, and all the industries that lie between would be cut off from river commerce with the rest of the nation. At a place called Old River, the Corps therefore had built a great fortress--part dam, part valve--to restrain the flow of the Atchafalaya and compel the Mississippi to stay where it is. In Iceland, in 1973, an island split open without warning and huge volumes of lava began moving in the direction of a harbor scarcely half a mile away. It was not only Iceland's premier fishing port (accounting for a large percentage of Iceland's export economy) but it was also the only harbor along the nation's southern coast. As the lava threatened to fill the harbor and wipe it out, a physicist named Thorbjorn Sigurgeirsson suggested a way to fight against the flowing red rock--initiating an all-out endeavor unique in human history. On the big island of Hawaii, one of the world's two most eruptive hot spots, people are not unmindful of the Icelandic example. McPhee went to Hawaii to talk with them and to walk beside the edges of a molten lake and incandescent rivers. Some of the more expensive real estate in Los Angeles is up

against mountains that are rising and disintegrating as rapidly as any in the world. After a complex coincidence of natural events, boulders will flow out of these mountains like fish eggs, mixed with mud, sand, and smaller rocks in a cascading mass known as debris flow. Plucking up trees and cars, bursting through doors and windows, filling up houses to their eaves, debris flows threaten the lives of people living in and near Los Angeles' famous canyons. At extraordinary expense the city has built a hundred and fifty stadium-like basins in a daring effort to catch the debris. Taking us deep into these contested territories, McPhee details the strategies and tactics through which people attempt to control nature. Most striking in his vivid depiction of the main contestants: nature in complex and awesome guises, and those who would attempt to wrest control from her--stubborn, often ingenious, and always arresting characters.

The Things They Carried Penguin UK
Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque ' s masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul

Bä umer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. “ The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure. ” —The New York Times Book Review

A Penguin Classic Written at a time of profound anxiety caused by the illness of his mother, Nobel Prize winner John Steinbeck draws on his memories of childhood in these stories about a boy who embodies both the rebellious spirit and the contradictory desire for acceptance of early

adolescence. Unlike most coming-of-age stories, the cycle does not end with a hero “ matured ” by circumstances. As John Seelye writes in his introduction, reversing common interpretations, The Red Pony is imbued with a sense of loss. Jody ’ s encounters with birth and death express a common theme in Steinbeck ’ s fiction: They are parts of the ongoing process of life, “ resolving ” nothing. The Red Pony was central not only to Steinbeck ’ s emergence as a major American novelist but to the shaping of a distinctly mid twentieth-century genre, opening up a new range of possibilities about the fictional presence of a child ’ s world. This edition contains an introduction by John Seelye. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

This stunning fantasy inspired by Chinese folklore is a companion novel to Starry River of the Sky and the New York Times bestselling and National Book Award finalist When the Sea Turned to Silver In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her

with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, Where the Mountain Meets the Moon is a timeless story reminiscent of The Wizard of Oz and Kelly Barnhill's The Girl Who Drank the Moon. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.
