Who Likes the Rain? Sphere

"Panda is Still Fat" is the super sequel to Panda's first haiku book, "The Panda is Fat." With over 40 new illustrated haikus and eight new characters, Pak Panda aims to provide an insightful, engaging, and totally unnecessary commentary on the things in life that make us human... or panda.

Investigating Bigfoot, the Loch Ness Monster, and Other Cryptids Encyclopaedia Britannica

A messy dog wanders around the neighborhood picking up spots of color everywhere he goes to teach kids about colors and numbers.

**Panda is Still Fat** Immedium

Our energetic heroine Julie aims for her next martial arts rank - The Belt of Fire! But will a new student get in her way? This long-awaited sequel to Julie Black Belt: The Kung Fu Chronicles picks up as Julie proudly wears her yellow belt and is eager to attain her next rank: orange! Still inspired by Brandy Wu, an action movie star, Julie now meets a new student in her class...but is he better than her? Can Julie learn to improve her abilities while becoming a gracious partner, and ultimately earning her own Belt of Fire? It's like when her heroine Brandy Wu in a movie seeks a treasure but must combat a mysterious opponent! Another experienced teacher gives Julie valuable advice, but is Julie brave enough to make this wisdom her own? Artist Charlene Chua's colorful, action-packed illustrations make Julie's quest one that any aspiring martial arts practitioner, as well as their parents and instructors, will enjoy. Children and parents identify with this spunky female star who is willing to give all she's got. Julie is a fan favorite and young readers make her vivid story their own. Again this is an engaging introduction of martial arts to young children who enroll in after school programs. Inspired by a real girl in a taekwondo class, this story's lessons are applicable to any martial art, such as karate, ju-jitsu, aikido, judo, and wrestling. Kung fu means a skill achieved through consistent dedication. But Julie discovers that knowing the correct moves isn't the most important thing. Teachers appreciate how the story promotes respect, conflict resolution, and self-defense, which in turn improves focus and concentration. Training builds confidence and social skills and improves physical fitness (coordination, balance, posture). Artist Charlene Chua's vibrant drawings capture Julie's high-flying action with dynamism and verve. - - - "With its bright, action-packed cover in super hero style, this book will draw young readers in, especially those interested in martial arts... Girls, especially, may welcome a female protagonist in a kung fu book, but primary boys will most likely enjoy this story as well." - Puget Sound Council for Reviewing Children's Literature/Media "On her quest for her next belt, Julie learns that it's more important to look inside at your own progress than to compare yourself to someone else. She also learns the value of co-operation. The illustrations are colourful and fun, and even when the characters are just standing still, there is a feeling of action." - Pacific Wave Jiu Jitsu "Once again, Chin has provided young readers with a fun, informative and interesting story that should engage even the most reluctant reader while providing a rich source of information and thought-provoking concepts." - CM Magazine "Well written and beautifully illustrated, Julie Black Belt is the perfect inspiration for the young elementary age student. I loved this book for a number of reasons. I think is this a great inspiration for girls as it promotes physical and mental strength. I think it's a great introduction to the martial arts - which is a very honorable and helpful discipline for kids of all ages." - Squishable Baby "My daughter was happy to see this as she too is a little ball of energy and there aren't many English books with Asian girl characters like her! The comic book style fits well with the high energy character and Chua's illustrations are great fun. We can't wait for the next Julie Black Belt book!" - Perogies & Gyoza

**The Year of the Rabbit** Zondervan

Peek into the magic of Diwali in this heartwarming celebration of sibling love and sharing holidays together! The Festival of Lights is nearly here! Join Ariana and her family during their spectacular celebration of Diwali. Ariana can't wait to participate in all of her favorite holiday traditions: making delicious sweets, lighting diyas around the house, and the rangoli competition! As long as her younger brother, Rafi, doesn't ruin everything with his clumsiness, this could be the best Diwali ever. With vibrant imagery, joyous text, and an important lesson about celebrating the people you love for who they are (especially silly younger brothers!), this lovely picture book is perfect for a family read aloud.

Bigfoot, Nessie, and mermaids: what do these cryptids share in common? No matter how doubtful we are of their existence, a part of us persists in asking, "Could they be real?" With a skeptical tone, this title tracks the most popular cryptozoological creatures from their mythological origins to modern attempts to prove their existence. Scientific explanations-including archaeological records and alleged physical evidence-are presented and assessed. Regardless of their veracity, the place these beasts hold in television, movies, and

books is a cherished one, and it merits a thorough investigation.

**The Kingfisher First Dictionary** Simon and Schuster

This earth-shattering book is filled with fun facts about snow, sunlight, rainbows, and more! Did you know that rainbows are full circles-so they never actually end? How about that light from the sun reaches Earth in around eight minutes? Or that all snowflakes have six sides? Filled with tons of cool facts about weather and the environment, plus colorful, humorous illustrations by Pete Oswald, this book is sure to be a hit!

Presents literary criticism on writers and illustrators for children and young adults. Critical essays are selected from leading sources, including published journals, magazines, books, monographs, reviews, and scholarly papers.

**Buni** Disney Press

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Books for the Teen Age** Houghton Mifflin Harcourt

Always positive, Buni doesn't understand that the cute world he lives in is usually out to get him. The girl he loves loves someone else. And his best intentions never seem to work. Yet he wakes up each day hopeful. Together with his cynical dad and determined dog, he inhabits a surreal world populated by teddy bears, cupcakes, unicorns, and zombies. With few words, these comics rely on images to tell the story, which is often twisted, sad and funny all at the same time. But more than anything, they show that nothing will keep Buni down. Because true happiness is a state of mind.

**Goodness, Grace and Me** Scholastic Inc.

When Harriet's husband quits his job she doesn't think life could get any worse... until an old enemy reappears! Harriet's old nemesis, Amanda, is back. And she's here to stay. As the wife of her husband's boss, Amanda will be accompanying Nick on his business trips. And Harriet can't help but think, how will Nick not succumb to her ruthless charms once he's in glamorous Milan? Knowing Nick is at risk of being seduced is bad enough, but when Harriet's best friend Grace falls madly in love with Sebastian, Amanda's much younger son, it can only mean trouble ahead. Determined to fight for her man, Harriet's seduction techniques go into overdrive. Unfortunately she is hampered in her attempts by two bolshy teenagers, an increasingly eccentric mother and a job teaching cantankerous children. Can Harriet save her marriage, as well as her friendship with Grace? And what will happen if Nick's new venture fails, especially now that the one thing Harriet has not even considered in all this mess appears to be staring her right in the face...? Julie Houston's novels are heart-warming, full of joy and completely addictive. Perfect for all fans of Milly Johnson, Sophie Kinsella, Katie Fforde and Jill Mansell.

**Twenty-one Elephants and Still Standing** Teacher Created Resources

The year is 2065. Rio de Janeiro, Brazil, is getting ready to celebrate its 500th anniversary. Ten million people will attend the event at the giant Copacabana Beach Park. Billions will watch on colossal screens spread throughout the Solar System. However, at midnight, something unprecedented and bombastic will, and is about to happen. Bruna is perhaps the last human female of her species who wants to be loved, wants to be a mother, and who wants to love and nurture her own children. Her civil cohabitant Maxim is too busy piloting spaceships to and from Planet Mars to offer her any attention. Bruna fears he's, at least in part, an android. An immersion into what things will be like living in Rio, living in Brazil, living on planet Earth, living on the Moon, and living on other planets in the Solar System. More significantly, this is an essay that seeks to address the overwhelming, startling, and unavoidable issue of whom and what we human beings will have become by 2065.

**The Jungle Book** Puffin

This Newbery Honor Book is a heartfelt and witty story about feeling different and finding acceptance--beyond the rules. Rules joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Twelve-year-old Catherine just wants a normal life. Which is near impossible when you have a brother with autism and a family that revolves around his disability. She's spent years trying to teach David the rules from "a peach is not a funny-looking apple" to "keep your pants on in public" -- in order to head off

---

David's embarrassing behaviors. But the summer Catherine meets Jason, a surprising, new sort-of friend, and Kristi, the next-door friend she's always wished for, it's her own shocking behavior that turns everything upside down and forces her to ask: What is normal?

The Discovery of Anime & Manga Scholastic Inc.

Enjoy the first English children's picture book on how Japanese animation and comics were created! Amazingly illustrated, this storybook features a bilingual Japanese translation. This is the third adventure in our series on cool inventions created in Asia. The cute red panda Dao makes history come alive by transporting the kids Emma and Ethan back in time. Together they learn how fantastic creations came to be and zip back to the future! This dynamic journey explores the evolution of Japanese animation and comic books. Published in newspapers, magazines, books, and graphic novels, comics became TV shows, movies, and games. These entertainment brought Japanese pop culture across the globe and influenced artists everywhere. This quest features 100 of your favorite characters and creators: from Osamu Tezuka's Astro Boy and Rumiko Takahashi's Ranma 1/2 to Hayao Miyazaki's Studio Ghibli and Totoro. Mazinger, Speed Racer, and Doraemon are joined by Sailor Moon, Dragon Ball, and Pokémon. Mobile Suit Gundam, Akira, and Ghost in the Shell meet Full Metal Alchemist, One Piece, and One Punch Man. Iconic and best-selling series are brought to life with the amazing artwork of Juan Calle, an otaku (big fan) himself. Adults and kids can learn about the categories shonen, shojo, and mecha (giant robots), use a handy glossary, and draw inspiration to create their own amazing stories. Teachers and librarians will find this a great addition to their comic book and graphic novel collections. - - - "The Discovery of Anime and Manga bursts from the page with energy and color. Informative and entertaining, it's a beautifully rendered concise introduction to manga and anime for not only children, but comics fans of all ages." - Dr. Dale Jacobs, Department of English, University of Windsor, Canada "In the book we see iconic Japanese anime characters such as Astroboy, Doraemon, Dragon Ball, My Neighbor Totoro, Sailor Moon, Pokemon, One Piece, One Punch Man and more. This makes the book not only fun for children, but also for adults, as they can flip through and remember beloved childhood characters. The story moves along with bright bold illustrations by Juan Calle. Each page is a love letter to manga, making this a delightful read for children and parents." - Sampan "Brimming with colorful, dynamic illustrations...The Discovery of Anime & Manga is an eye-opening tour." - Midwest Book Review "I will never forget watching My Neighbor Totoro with my daughter and the worlds that the film ushered in for me. I had never experienced moving images, sounds, pictures, music in quite that way before and the potentials and powers of animated film strongly impacted me as a scholar. It was then that I recognized that animé and manga had the kind of beauty that Susan Sontag described about as 'a beauty with adjectives, arranged on a scale of ascending value and incorruptibility.' In Amara and Chin's The Discovery of Animé and Manga told through stunning illustrations by Calle, they offer a detailed, storied account of the evolution of animé and manga in Japan and eventually around the world. From whimsical drawings in the early twentieth century to kamishibai tales told in on street corners to the ubiquity of adults and children drawing animé and manga embodying otaku in their everyday lives. Everyone should read this history book to get a true understanding about the significance of not just animé and manga, but the power of multimodality on how we think and learn." -Dr. Jennifer Rowsell, Professor of Literacies and Social Innovation, University of Bristol, School of Education

Rio's big blast Kids Can Press Ltd

An illustrated version with simplified text of the Old and New Testaments.

The Balloon Boys Editora Jaguatirica Digital
