How to Raise a Conservative Daughter DK Publishing (Dorling Kindersley)

If you have a daughter, it would be surprising if she doesn't struggle with anxiety and worry--either in short episodes or for longer periods. For a variety of reasons, childhood anxiety rates are soaring, especially among girls. Today's parents need to know what contributes to anxiety and worry and how they can empower their daughters to overcome troubling emotions. In this immensely practical book, veteran counselor Sissy Goff shares how you can instill bravery and strength in your daughter. Addressing common age-specific issues, Goff gives you the tools to help you and your child understand why her brain is often working against her when she starts to worry, and what she can do to fight back. With your help, she will find the anchoring truth of God's strong, safe love for her and the confidence she needs to thrive. Raising Boys HarperCollins UK

Emulating the format of Raising a Modern-Day Princess, authors Doreen Hanna and Karen Whiting seek to help parents and grandparents cultivate strong relationships and encourage the spiritual formation in their daughters using examples, Bible teaching on the fruit of the Spirit, and a variety of creative activities that are based on Galatians 5:22-23, the fruit of the Spirit (love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control). By implementing the ideas in this book, mothers (as well as fathers) will be equipped to understand and guide their daughters through each step of becoming His "princess." This will include perceiving a

daughter's unique personality and gifts, refining her character through training and discipline, and modeling the attributes of a daughter of the King. This book is a follow-up to both Raising a Modern-Day Knight (by Robert Lewis) and Raising a Modern-Day Princess by Pam Farrel and Doreen Hanna. While the latter book is aimed at parents of girls ages 12 and up, this book focuses on building the Christian character of younger girls.

Manhood Chronicle Books

Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller Bringing Up Boys, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

How To Raise A Boy Tyndale House Publishers, Inc.

Raising a daughter is hard. Raising a conservative daughter can feel downright impossible. As someone who has spent over a quarter-century preparing thousands of conservative girls and women for effective conservative leadership, Michelle Easton knows the daunting challenges parents face. Toxic social media, radical feminist indoctrination in schools, corrosive messages from Hollywood and the entertainment world--the dizzying array of cultural forces aligned against families are real and immediate. But so are the remedies. President Ronald Reagan once said, "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same." The clear principles and practical tools this book provides will help you and your family raise smart, fun, conservative daughters--young women whose strength of character will keep the flame of liberty alight for generations to come.

Love, Freedom, Spirit and the New Masculinity NavPress

It's not easy to be a teen girl, and it's definitely not easy parenting one. Parents everywhere struggle to respond appropriately to challenging behavior, hit-or-miss communication, and fluctuating moods commonly exhibited by teenage girls. More than previous generations, today's teen girls face a daunting range of stressors that put them at risk for a range of serious issues, including self-harming behaviors, substance abuse, eating disorders, anxiety, and depression. Is it any wonder that parents are overwhelmed? Parenting a Teen Girl is a guide for busy parents who want bottom-line information and tips that make sense--and work. It also offers scripts to improve communication, and exercises to navigate stressful interactions with skill and compassion. Whether your teen girl is struggling with academic pressure, social difficulties, physical self-care, or technology overload, this book offers practical advice to help you connect with your teen girl. Parents and teens alike can enjoy a positive connection once common parent-teen pitfalls are replaced with solid understanding and strategies that work. In this book, you will learn how to:

- Maximize your teen's healthy development
- Understand what underlies her moods and behavior
- Implement strategies for positive results
- Communicate effectively about difficult issues
- Enjoy and appreciate time with your teen daughter

Plus, there are 30 activity pages with games and play ideas for you to enjoy with your child.

Why Boys Are Different - and How to Help Them Become Happy and Well-Balanced Men Hachette UK

At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In How to Raise a Boy, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains

how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by: • Listening and observing, without judgment, so that boys know they're being heard. • Helping them develop strong connections with teachers, coaches, and other role models • Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women • Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain. Featuring the latest insights from psychology and neuroscience, How to Raise a Boy will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

Why Girls Are Different--and How to Help Them Grow up Happy and Strong Strategic Book Publishing

Daughters face unique developmental challenges that parents must understand to help their girls mature and thrive in today's world. RAISING GIRLS provides parents with concrete guidelines, delivered in a distilled and easy-to-read style, for approaching their daughters' upbringing. Author, psychologist, and family therapist Gisela Preuschoff contributes her own trials and errors as a mother in addition to the wisdom attained from decades of professional experience of counseling families. She explains the key emotional and physical aspects of girls' development and details ways to form a close parent-daughter bond. Discussions also include social conditioning, family dynamics, peer relationships, communication styles, self-esteem, and education issues relevant to each stage in a girl's life, from toddler to teen to young woman. RAISING GIRLS will teach parents how to get to know their daughters better, encourage their special talents, and help them live healthy, happy lives. Raising a Rare Girl Hachette Australia Steve Biddulph's Raising Boys was a global phenomenon. The first book in a generation to look at boys' specific needs, parents loved its clarity and warm insights into their sons' inner world. But today, things have changed. It's girls that are in trouble.

The Power of Connection to Build Good Men Celestial Arts SHORTLISTED FOR NON-FICTION BOOK OF THE YEAR, ABIA AWARDS 2018 Is your daughter 14? Are you struggling to know what's going on inside her head? Are you worried? This is the book that can help you understand how she's feeling, what she's thinking and what you need to do to help her navigate her tricky teens to become a fabulous woman. BEING 14 gives a voice to every teen girl in Australia. Madonna King has interviewed 200 14-year-old girls across the country, talked to successful school principals, psychologists, CEOs, police, guidance and neuroscientists to reveal the social, psychological and physical challenges every 14-year-old girl is facing today. -How much independence do they need? -What is the power of a friendship group? -How do you help build self-confidence? -Why the obsession with selfies, social media and FOMO? -How are parents unknowingly making life so much harder for them? Overwhelmingly, these young girls - on the brink of womanhood - struggle to tell their parents how they feel. That's why BEING 14 gives you the answers you are looking for. It's your daughter, talking to you. And her hope, beyond anything, is that you will listen. 'valuable for any parents of teens or pre-teens' SUNDAY TIMES

Manhood: an action plan for changing men's lives.

Tips, tricks, and lifesavers you don't have to learn the hard way Celestial Arts

"A remarkable book . . . I found myself thinking that all expectant and new parents should read it." —Michelle Slater A New York Times Book Review Editors' Choice In *Raising a Rare Girl*, Lanier explores how to defy the tyranny of normal and embrace parenthood as a spiritual practice that breaks us open in the best of ways. Like many women of her generation, when Heather Lanier was expecting her first child she did everything by the book in the hope that she could create a SuperBaby, a supremely healthy human destined for a high-achieving future. But her daughter Fiona challenged all of Lanier's preconceptions. Born with an ultra-rare syndrome known as Wolf-Hirschhorn, Fiona received a daunting prognosis: she would experience significant developmental delays and might not reach her second birthday. The diagnosis obliterated Lanier's perfectionist tendencies, along with her most closely held beliefs about certainty, vulnerability, God, and love. With tiny bits of mozzarella cheese, a walker rolled to library story time, a talking iPad app, and a whole lot of pop and reggae, mother and daughter spend their days doing whatever it takes to give Fiona nourishment, movement, and language. Loving Fiona opens Lanier up to new understandings of what it means to be human, what it takes to be a mother, and above all, the aching joy and wonder that come from embracing the unique life of her rare girl.
